LET'S GET READY TO RUMBLE

By Kirstie Fitzgerald

From running endless laps in summer, sweating it out on the training track and practicing your skills every week for the past four months- it has all come down to this.

As quickly as you can say September, it seems the WRFL Junior Finals series has come around for another season. Over the next four weeks, football fans

will be treated to some of the best junior talent in the region, as teams battle it out for premiership glory.

This season, 21 different clubs will be represented in the Junior Finals series, which is a credit to all players, coaches, volunteers and families who all pitch in to make this competition run as smoothly as it does each week.

Congratulations to the 71 teams whose efforts throughout the year has earned them a place in this season's finals series and well done to all other teams whose seasons may have now ended, but who no doubt have learnt a lot and look forward to lacing up the boots once again in 2016.

Over the next four weeks, the Junior Finals will be played across numerous venues including Dempster Park (North Sunshine), Hogans Road (Hoppers Crossing), Grant Reserve (Altona), Wootton Road (Tarnet), and Saltwater Reserve (Point Cook), which will host the combined Youth Girls competition this Saturday. For full Junior Finals fixtures over the coming weeks, make sure you visit our website wrfl.org.au every Monday afternoon.

In our special edition of the Junior Footy Record, we

welcome back our Future Stars segment, which takes a look at some of our rising junior talent from across the league. To see who we chat to this week, be sure to flick to page 3. Also in this week's edition, we look at one of our Player Graduates, Dillon Viojo-Rainbow who was picked up by the Carlton Football Club in last year's AFL Draft. A former Hoppers Crossing junior and Western Jets product, we take a look at how Dillon is settling into life at the elite level. Turn to page 5 for the full story.

From the football field to the cricket pitch, the Junior Footy Record also takes a look at one junior player who has been selected to represent Australia in the Junior World series for indoor cricket. While we celebrate the immense talent we have in the west on the football field, we also recognize the sporting achievements of our juniors off the field. To read more about Werribee Districts junior Callan Gilboy, turn to page 17.

Of course while the final siren has sounded on the 2015 home and away season, the WRFL's weekly Junior Footy TV Show will continue over the Junior Finals series, interviewing players, coaches and volunteers who will be playing for survival each week in the hope to make their premiership dreams a reality. To see the latest episode, visit our website www.wrfl.org.au.

Don't forget if you have any stories, images or news you would like to see in the WRFL Junior Finals Record, please contact me at k.fitzgerald@wrfl.asn.au or keep up to date on our social media pages using the handle @westernregionjfl.

Until then, play hard, kick straight and above all, enjoy today's finals experience, because that's what football is all about.

WRFL PLAYER GRADUATE - DILLON VIOJO-RAINBOW

By Alex Karavas

With junior footy finals commencing this week, the butterflies are starting to creep in for many youngsters that will grace the football fields to battle it out for premiership glory in front of family and friends.

While we all know our own players are superstars, its time like this where it's also a good time to reflect on players that have embraced these grounds before and gone on to become AFL players.

Dillon Viojo-Rainbow is proof that persistence and hard work can go a long way in getting to the elite AFL level. However it has not been all that easy for Viojo-Rainbow to get to where he is today.

In his Under 18's year at the Western Jets, Viojo-Rainbow started to get some soreness in his back. Scans later revealed he had a spinal defect which determined that he had bits of bone missing from his spine.

While many would think that getting drafted would be a hard slog, or a mountain too big to climb, with the right management, rehabilitation and long hours put in doing Pilates, Viojo-Rainbow made it.

His journey started off at the Hoppers Crossing Football Club playing junior football and rising through the ranks from under 10s through to the seniors. With a lethal left foot and with pace running off the half back line, the Western Jets were quick to make enquiries about getting him down to play TAC Cup as a 17-year-old.

He impressed scouts, putting all of his 186cm and 82 kg frame to good use. Vision, poise, patience, elegance, Viojo-Rainbow tried to model his game off Geelong's Andrew Mackie.

His good form saw him get selected to the Vic Metro Under 18s side to play in the National Championships as a top age player. Though it wasn't all smooth sailing. He had to beat some pretty handy players

in the process, but that wasn't daunting for him at all. He warranted his selection in the side, with a handful of clubs keeping close tabs on the Western Jets product.

The AFL Draft can be an intimidating task for many young players, with your dreams lingering in club movements. However joy crept in for Viojo-Rainbow in November last year when his name was called out for pick #28 to the Carlton Football Club.

Eight months on, he heralds his success down to keeping himself fit and watching what he does in the public eye. Not one to attend parties, embarrass himself in public or misuse social media, his maturity has kept him in fine stead, as the sacrifices he had made have paid off throughout his young career.

Any youngsters wanting to make it in the AFL should watch out for this fine young player as he continues to work hard and rise up through the ranks at the Blues.

GILBOY SELECTED TO REPRESENT AUSTRALIA

By Sophie Hammill

While many juniors are busily preparing to play in the first week of finals this Sunday, one Werribee Districts player has also been preparing to represent Australia in the Junior World Series for indoor cricket.

Fifteen-year-old Callan Gilboy has been playing football in the WRFL with Werribee Districts for six years, and despite his young age, has already played in four winning premierships in his short career.

Callan is not shy of an achievement having won numerous awards such as Best on Ground honours (2008, 2009), Most Consistent, a Best and Fairest and being selected to play in the Junior Interleague competition.

Yet while he is already a star footballer, Callan can also swing a bat on the cricket pitch, after starting his indoor cricket career in 2012.

"Callan used to attend his friends and family cricket matches which inspired him to join a league himself," his father Kevin Gilboy said.

Callan currently plays for the Victorian team and was voted 'Best Player' in 2014, before his selection to the national team earlier this month.

Training and playing cricket on a weekly basis, Kevin said it took a lot of hard work for Callan to earn his selection for the Australian squad.

"Callan had to participate in a carnival which allowed

him to reserve a spot to perform in the National championships."

"In just his fourth year of indoor cricket, he has been selected to represent Australia in the World Cup in Queensland, which will no doubt be a great experience for him."

Although Callan's commitments have increased since his selection, he has never missed a training session and remains able to play football with minimal disruptions.

Training for both sports during the week as well as playing matches over the weekend, Callan's schedule is busier than most juniors his age.

However, if this isn't busy enough, Callan also umpires for the WRFL every Saturday and attends Mackillop College as a Year 9 student.

While he knows that one day he may have to decide to follow his passion for one sport in the future, Callan hopes to continue to play both football and indoor cricket for as long as possible.

It's needless to say that Callan's family is incredibly proud of all he has achieved so far and look forward to seeing him in action for the World Cup in September after the WRFL Junior Finals conclude in August.

JUNIOR MILESTONES

Well done to Point Cook star Kye Mills who played his 50th game for the U14s team on Sunday.

Congratulations to Chris Lear who played his 150th game for the Wyndham Suns Under 16As last Sunday.

Left: Point Cook's Marcus Stephens's 50th game was made even more special with his team getting up with a win last weekend.

Above: Williamstown Juniors U11A champion Xavier Cahill stands in front of his banner before running out to play his 50th games against Yarraville Seddon.

By Graeme Hodgart

The first week of the junior finals is a big event in more ways than one. Some teams and players will be participating in their first experience of finals. Of course, they will be endeavouring to do the best they can and hopefully come away with a win.

The same can be said of the WRFL umpires. Some will be taking their first steps onto the ground of a final for the first time in their career, which is a big occasion for many.

Those given the responsibility of appointing the umpires, field, boundary and goalies, do not really look forward to the first week of the junior finals as there are so many age groups which means lots of umpires need to be appointed. This is a hard task in itself but when you consider that a certain percentage of the WRFL umpires actually play with various clubs that can throw a spanner or two into the works. It takes a bit of juggling and quite a few hours can be spent making sure that the right people are put into the right places.

Congratulations to all those taking charge of their first final. Some of the youngsters in the field umpiring category that could be seen in action may be Tyler Comben, Jack Davies, Aaron Peach, Connor McIntosh and Blake Brigham.

First year boundary umpires in Ethan Kelly, Charlie Roberts and Caitlin Kelly will be hoping to run the boundary in at least one final and may also be joined by Maddie Kiss, Harrison Bradley, Zak Muir and Alysa Hahnel.

In the goal umpiring department there are quite a few young goalies who will be given a junior final or two if they are available. These include Darcy Kirkpatrick, Nathan Cattapan, Emma Chang-Kum, Liam Purcell, Brodie Cameron-Smith, Connor Petri and Xavier Smith. All these young umpires are in their first year of waving flags and are part of the Werribee Academy at MacKillop Secondary College.

There will also be many very experienced umpires involved in the junior finals. Hopefully the blend of youth and experience can make for consistent umpiring so that those officiating can remain fairly inconspicuous as the games progress. May your team do the best that they can do today and that's exactly what the umpires are hoping to achieve themselves.
