# EDITORIAL WEEK 14

By Kirstie Fitzgerald

As most fans would attest to, football is a wonderful thing for so many people involved in our great game.

It brings people of all walks of life together, improves our physical, mental and emotional health and creates a place of belonging for all.

However, even some of the best of times can be littered with moments of unease.

This week the WRFL Footy Record looks at how two clubs are relying on the strength of its members and community to overcome recent setbacks seen this season.

From a player's perspective, there is nothing worse than suffering a season ending injury. All the blood, sweat and tears surrendered in the pre-season as well as any hope of earning a premiership medallion with your teammates has been dashed in a matter of seconds.

One player who knows all too well of the setbacks of injury is 30-year-old Albanvale player Blake Charlton, who broke his leg in two places during Round 5 this year. With the game against Laverton called off and Charlton taken away in an ambulance, it has been a long journey on his way to recovery. With the support of not only his own club, but that of the Laverton Football Club shown in the pair's recent clash last weekend, Charlton's future is looking a little brighter. For a fantastic story about his road to recovery, please turn to page 3.

We also take a look at the Manor Lakes Football Club who while in its short history has struggled through one of its toughest seasons off the field.

Since October last year, the clubrooms which it shares with its local cricket club has been broken into on seven separate occasions. The club lost some of its essential items such as game day footballs, training equipment, medical supplies, alcohol and most importantly its defibrillator. With the most recent robbery happening a fortnight ago, it's not hard to see how the ramifications of multiple robberies can have a ripple effect on not only the club financially, but emotionally as well.

Yet while it seemed unlikely the problem would go away, the club has received a number of good wishes and support from the wider football community including neighbourhood clubs Glen Orden and the Wyndham Suns, as well as Western Bulldogs Vice President Susan Alberti. For a great story on community support, be sure to read page 5.

This weekend also marks the end of the Junior home and away season before finals commence on Sunday July 25. Congratulations to all players, coaches, volunteers and clubs involved in producing another great year of junior football, which has showcased the immense talent we have across the league. For a look at some of the action from our junior competition, turn to page 16.

Until then, play hard, kick straight and best of luck to you and your team this weekend.

# CHARLTON ON THE MEND

By Alex Karavas

## FOOTY PROVIDES US WITH SOME AMAZING HIGHLIGHTS FROM TIME TO TIME.

The thrill of waking up on a Saturday and watching your team play, seeing players embrace the contest, take those high flying marks, dribble goals along the ground or it could just be that one player that we all love watch burst through packs with ease.

Then there is the downside to the game, one of which is injury.

Albanvale player Blake Charlton knows all too well how cruel injuries can be after suffering this fate in Round 5 during his match against Laverton.

Only minutes into the first quarter, Charlton collided with another player in the centre of the field and broke his lower leg in two places.

Taken off the ground in an ambulance, the game was called off and Charlton has since been on the road to recovery, slowly taking tentative steps to not only return to the footy field, but back to his everyday life.

Working as a carpenter, the injury has hampered his day to day life, with many underestimating the severity of the injury and the struggle that he would experience.

Two months since his accident, the Laverton Football Club had Blake Charlton on their mind when the two clubs met in their next encounter in Round 12.

“After the game, in their rooms, they (Laverton FC) had their coach speak for a bit, and they did a couple of raffles on the side to help raise some money for Blake while he was out of work with his injury,” Albanvale Club Administrator Adam Borg said.

“On behalf of the Albanvale Football Club, we want people out there to know that we want to thank the Laverton Magpies for their generous effort and support.”

Through the support of not only his own team over the past eight weeks, but that of the Laverton Magpies, Charlton has returned to the club and is on the mend.

*Blake Charlton gathers another possession for Albanvale prior to his season ending injury sustained in Round 5 Photo: Supplied.*

“He is in good spirits and is up and walking now which has been great to see, as well as attending a number of our games,” Borg said.

During their Round 12 clash a fortnight ago, the funds raised from the raffle has been a great help to Charlton as he continues to recover from his injury and gets back on his feet at work.

Its gestures like these that goes to show that while we are rivals on the football field, we are one unit off the field and are willing to band together when accidents like this arise.

I’m sure I speak on behalf of the wider football community and would like to wish Blake a successful recovery and hope to see him back in the blue and white next year for the Cobras.

Congratulations also goes to the Laverton Football Club for doing their part in supporting others in the football community.

# MANOR LAKES BOUNCE BACK

*By Sophie Hammill*

The Manor Lakes Football Club is working hard to bounce back stronger than ever after falling victim to seven separate break-ins over the past nine months.

With the last two robberies occurring only days apart from one another last month, the club has been left with an estimated loss of more than \$30,000.

Appearing on 3AW's Drive Home radio program in the days after the incident, Club President Troy Whiting said that the support from the community has been really positive.

"Earlier this year we held a number of fundraisers for people in our community with the Lake Gladman tragedy as well as a Breast Cancer Awareness Day, so it's been nice to have the local community support us back."

Whiting said that some of the items stolen in the robberies were "game day apparel, alcohol from the bar, and much needed medical equipment," including "tape, strapping, our defibrillator and TENS-unit."

The clubrooms, which is also shared with the Manor Lakes Cricket Club in the off-season, is located in an open area with its only means of protection being an internal alarm.

While the Wyndham Council installed an anti-theft plate on the doors after the first break-in during October last year, Whiting said that the preventative measure was not as effective as first thought.

"It's just not stopping them as they are actually bending the anti-theft plates using a crowbar.

"I've also requested we get roller shutters on all of the doors, I've sent messages to the council numerous times asking for our alarm system to be upgraded and am yet to hear of a solution."

Until then the only other preventative measure that is being undertaken is simply

ensuring the "club is properly locked and is undergoing regular checks," with alcohol no longer left on the premises.

The financial damage is obvious but it is the affect that these break-ins is having on the rest of the club, especially the players that is of concern.

"These players have no equipment which has made training sessions very difficult," Whiting said.

"Even things such as the game day footballs and compression bandages were stolen."

Hearing of the Storm's recent robbery, neighbourhood clubs Wyndham Suns and Glen Orden have helped the club get back on its feet by donating footballs, tape and even lending their spare defibrillator.

Since Whiting's 3AW report, the broader football community has also shown great generosity with Western Bulldogs Vice President Susan Alberti offering to donate a new defibrillator once the club's security has been upgraded.

"I think it is absolutely vitally important that they have a defibrillator at the club as I know it saves lives and I've seen them save lives, so I'm very happy to do that," Alberti told 3AW.

If you would like more information on the Manor Lakes Football Club, please contact Troy Whiting on 0412-358-868.

Round 14 has a couple of genuine blockbuster games this weekend that will have ramifications on what will happen in September.

When Werribee Districts last met Deer Park in Round 5 at John McLeod Reserve, Andrew Panayi had an on the siren kick to win the game. He did not make it.

Since then Deer Park has been challenged on many occasions, but has come up trumps every time. Werribee has been inconsistent and if they are to challenge for the top three, they will have to reverse results against Deer Park, Altona and St. Albans in the final five weeks of the season.

They definitely need some scoring power to emerge from their midfield, because Panayi and Molivas will be prime targets for the Lions defence.

Harrington kicked six last week but he may be needed elsewhere against such a potent Lions attack that still has to fit Donnie Bloomfield into the lineup, after welcoming Jimmy Condos back last week.

Marc Bullen has the luxury of planning for finals a long way out, and his minutes on ground and player rotation in the coming weeks will be fascinating to watch. How can you not pick Deer Park? They are class.

The other game of epic significance is Altona v Hoppers Crossing. The Vikings have slipped into the five and could slip out just as quickly with a loss to the Warriors.

Travis Lunardi is such an important play maker for Altona, when he is up and running he brings other players into the game. Altona have many other match winners too in Post, Robbins, Rafferty, O'Leary and Healy.

Hoppers Crossing are second on the ladder for a reason. They have talent, a good mix of experience and young legs and they are well coached by Steve Kretiuk and his assistants. Jordan Mead has given them versatility in front of goals. Skipper, Ryan, Merrifield, Brierty, Viola and Smith have had good seasons so far. They have the bye in Round 15 so they can throw everything at the Vikings on their home ground. I think it will be very close, and the

weather will have an impact, but I think Altona will just prevail.

After going down to Hoppers last week Spotswood will be keen to get back on track with a win over Albion. Murray Boyd is having a red hot season and I think he would be well up in the counting for the Priest Medal, but he can't do it on his own. Spotswood should get the points and stay in the top three.

The other game is vital for the Saints chances to get back into the five. The enigmatic Sunshine are capable of anything, their best is very good and their worst is not worth watching. The Saints have everything to play for, and even though it is at Kinder Smith Reserve, I think they can win.

# ROUND WRAP

## DIVISION ONE RESERVES

Jayne Morris' eight goals has helped Altona seal a comfortable 66-point victory over Port Melbourne Colts.

The Vikings were the stronger side all day booting 19 goals for the match, the highest number of goals kicked from any side over the course of the round.

Sean Weir tried to keep the Colts in the game with five goals of his own, however it was not enough as Morris' extended run of good form (15 goals in his last three games) helped Altona run out 19.11(125) to 9.5(59) winners.

The Vikings will today host ladder leaders Hoppers Crossing, while Port Melbourne will have the week off with the bye.

Sunshine handily defeated Deer Park, holding the Lions goalless for the entire game, while piling on 10 goals of its own in the 10.15(75) to 0.2(2) win.

In arguably one of the most disappointing performances of the season, Deer Park was unable to register a major and didn't record a score in the second and fourth quarters, seeing them fall two games behind the top five.

The Kangaroos now sit just a game off second place, and will use today's home game against St. Albans to try and edge further up the ladder. The Lions will look to rebound when they travel away to face Werribee Districts.

It seemed defence was the theme for the round as Werribee Districts conceded just one goal in its matchup with Albion, during its comfortable 16.10(106) to 1.8(14) victory.

The offensive firepower of the Tigers was too much for the Cats to handle as the dangerous forward combination of Dillon, Andrew and Aaron Taylor saw the trio bag three majors each for the home side.

The 92-point win keeps Werribee in second place and sends Albion to its tenth loss of the season, just percentage points behind the bottom placed Port Melbourne Colts.

The Cats will look to separate themselves from the Colts when they battle Spotswood, in a game where four points is important for both teams.

In the pouring rain and blistering cold, Hoppers Crossing used a six goal final term to run out 36-point winners in a tight game against Spotswood.

Despite the final margin, the game was close all day, as the conditions kept the match winnable for both sides.

# ROUND WRAP

## DIVISION TWO SENIORS

If it has seemed recently that the top four is all but settled and sides are playing out time until the end of the season, Caroline Springs have obviously been given a different script. Sitting two games and a healthy amount of percentage behind Yarraville Seddon in fourth, this meeting between the two clubs should have been the final nail in the Laker's season. The Eagles 103-point victory at their last meeting did little to inspire confidence.

Despite dropping games to Wyndhamvale and Glen Orden in recent weeks, the Eagles' losses were intersected with victory against flag challenger West Footscray a fortnight ago – hardly abysmal form. Meanwhile, Caroline Springs have continued to look 'the best of the rest' with comfortable victories over sides below them on the ladder but with just one win over a top four side this season, they have been a class below.

Those assumptions were smashed on the weekend as the Lakers took the game to the Eagles and never truly looked like slipping. Dean Galea and Lewis Tudor led the way with the pair continuing to compile excellent seasons while Sherif Mohamed did the damage for the victors with three goals.

Despite a five goal final quarter, Yarraville Seddon was never truly in the contest and trailed all day. Wet weather footy does allow less skilled sides to close the class gap, but on a weekend in which the other final's contenders secured healthy victory, it is a hollow excuse. The win has given the Lakers a genuine chance at finals and fourth spot is suddenly very much up for grabs.

Around the grounds there were no similar concerns for the favourites with each recording comfortable victories. The Falcons smashed the Hawks by 133-points on the back of another Chris Graham best on ground performance while North Footscray was equally comfortable in their 129-point defeat of Sunshine Heights.

Finally a six goal haul from Munir El Houli was the difference as his Roosters defeated Manor Lakes by 42-points.

In Round 14 matches, the Eagles should return to the winner's list as they host the struggling Sunshine Heights while Caroline Springs head to Glen Orden.

# ROUND WRAP

## DIVISION TWO RESERVES

Sunshine Heights has experienced another disappointing loss for the season, this time at the hands of North Footscray.

The Devils dominated the contest from the get go at Ainsworth Reserve last Saturday, their best quarter coming in the second term where the visitors piled on six goals to the Dragons' zero.

Sunshine Heights pegged back a score in the second half, but that was simply not enough to get up against a strong North Footscray outfit.

Devil Bradley Rolfo was one of the best players for the day booting one major, along with teammates Jessi Delahaye and Christopher Peters who both scored two goals each.

In what was a tough day at the office, Sunshine Heights' Chris Kyriakou and Damien Farnfield shone for the Dragons, while teammates Stephen Hatzistavrou and Victor Vasilevski were the only goal scorers.

The win sees North Footscray still sit above Caroline Springs on the ladder, one win clear in fourth place with a healthy percentage.

Around the grounds, Yarraville Seddon is a team on the up, after recording a comfortable win over Caroline Springs, the final score 2.3 (15) to 9.8 (62).

Manor Lakes has had a crushing home ground loss against second on the ladder West Footscray, the Storm going down by 77-points, while Wyndhamvale enjoyed a home ground victory against Glen Orden by 115-points.

Round 14 will see Caroline Springs travel to Heathdale Oval to take on Glen Orden, the Lakers are looking to be favourites for this match, after losing the previous week.

Manor Lakes will make the drive to Hansen Reserve where they are set to take on North Footscray, the Storm are yet to win against the Devils this season and are hoping to change that this afternoon.

Yarraville Seddon are looking to get their third win in a row against Sunshine Heights, if the Eagles continue playing as they have been recently, the premiership flag is in their sight.

For the last three years the WRFL umpires have been using a computer program called *Schedula* to issue their weekly appointments. It is a very effective tool which has worked efficiently with most umpiring groups now using the program.

Early each week, the umpires' coaching staff log into *Schedula* and appoint their allotted umpires to officiate at the different games. At 12 noon each Wednesday, all umpires who have been appointed to at least one game receive a general email telling them of this fact. Individual umpires then log onto the system and find out the details about their game. This includes the day, date, time, the teams involved, the location of the ground and their fellow umpires on their panel. It even provides directions on how to get to the various grounds.

Every umpire then has the opportunity to confirm or decline their appointment. The majority usually accept their games but occasionally umpires are unable to officiate for various reasons. If they decline their appointment they must explain why. Every time an umpire declines a game, an email is automatically sent to the coach who then has the opportunity to make any necessary changes.

Another advantage of *Schedula* is that it keeps accurate records of all the games that umpires officiate in. There are only a few current umpires that have kept an accurate tally of their games throughout their career. This group includes Terry McGarity, Michael Lynch and Trevor Budge. In the future, *Schedula* will be able to be used to calculate when umpires are approaching a milestone match.

Prior to *Schedula*, the appointments were handed out on sheets of paper but those who were unable to attend the Wednesday training/meeting didn't know what game they were appointed to. This meant that the coaching staff had to make numerous phone calls or send out emails to inform umpires about their games.

The present system keeps each umpire informed and does save a great deal of time and energy especially for those who are appointing the umpires to games. As the years roll on, the system will be further refined and extended to include other features. For those umpires who began umpiring in 2013 or in the years that follow, their

entire umpiring career can be reviewed by just pressing one button in *Schedula*. How good is that? For more information, visit our website [www.wrflumpires.com](http://www.wrflumpires.com)

## **LAWS OF THE GAME – QUIZ #14**

### **Last week's question:**

Player A has marked the ball deep in the forward pocket close to the boundary. The siren sounds and the field umpire lines the player up for his shot on goal. The player takes three or four steps to his right and kicks a goal. What happens next?

The correct answer was (OPTION C) The field umpire signals end of play and informs the goal umpire that there is no score.

### **This week's question:**

Player A is injured and a stretcher is called for by the trainers. Play is stopped by the field umpire and the stretcher is brought onto the field. The player recovers quickly and doesn't use the stretcher and is helped off the playing field by the two trainers. What happens?

- (a) Player A is allowed to sit on the interchange bench and is able to be interchanged back on the field at any time.
- (b) Player A is allowed to sit on the interchange bench and is able to be interchanged back on the field after a further twenty minutes playing time has elapsed.
- (c) Player A is not allowed to take any further part in the match.

**Be sure to check out the correct answer in next week's WRFL Footy Record.**

# ROUND WRAP

## DIVISION THREE SENIORS

The weather forecast predicted the perfect day for drought-stricken farmers across Victoria, however, for players strapping on the boots for four quarters of gruelling competition, wet weather football made frosty proceedings all the more difficult.

In one of the most anticipated matches of the round, North Sunshine provided reason to believe that Dempster Park can once again return to the home fortress it once was with a comprehensive 43-point win over topsy-turvy Laverton.

Leading by 27-points at half time, the Roadrunners well and truly kicked the game beyond the Magpies with six goals to two in the premiership quarter to open an unassailable 49-point lead.

Brent Henry bagged another four goals to further his credentials as North's most dominant forward, as skipper Alex Alagona and midfielder Sam Larizza found themselves again listed in the club's best.

The victory marks three on the trot at home for North Sunshine, to whom it's fair to assume need to produce the same form away from home to take the next step forward. For Laverton, it's unfortunately another missed opportunity to heap the pressure on the top four.

The most pleasing revelation comes from the fact that any team can chalk up the wins in this competition. There are blow out margins but no easy beats which keeps the division interesting on a weekly basis.

Albanvale ensured the celebrations for John Sirianni's 400th game ran long into the night with a nine goal win over Sanctuary Lakes. Despite the difference on the scoreboard, the Sharks made the Cobras earn every point but couldn't stop milestone man, Sirianni, from kicking a half dozen.

Parkside piled more misery onto Braybrook with a 79-point demolition at Henry Turner Reserve. Sitting third on the ladder, Parkside look primed for a severe tilt at premiership glory with 11 different goal kickers tallying up the 25-goal performance.

In the round's final result, presented on 88.9 Wyn FM's Match of the Day broadcast, was the tight contest supporters had been hoping for as the Wyndham Suns edged out Tarneit by 20-points at

The progress made by the Titans has been a pleasure to watch unfold, however, they were made to pay for a lapse of concentration in the second term where the red hot Suns kicked five unanswered goals to bounce back from a tricky past three weeks.

# ROUND WRAP

## DIVISION THREE RESERVES

The Wyndham Suns provided Tarneit with a big reality check in round 13, silencing the Titans by 62-points at Goddard St Reserve.

The majority of the damage was done in the first half, as the Suns burnt the Titans with eight goals to zip, leaving them with a 47-point lead at the main break.

Tarneit seemed to slow down the Suns' power in the second half, however were unable to hit the scoreboard with a goal until the final term, by which stage it was too little, too late.

For the Suns, Jason Tran, Christopher Stephens, Christopher Neville and Mitchell Lowery kicked two goals apiece, while Jason Stone and Tom Krpan were their dominant players on the field. For Tarneit, Daniel Smith and Nelson Ball were the best players in what was a hard day in the office.

In other matches, the Laverton Magpies also put on a dominant performance, as they served North Sunshine a 97-point defeat. The win was important for Laverton, who will be looking to cement their place in the top four.

Jamie Bubenik was one of the most important players on the ground, kicking six majors for Laverton, while Roadrunner Cameron Howitt kicked three of his team's four goals.

Parkside also produced a fine performance, winning by 95-points against Braybrook. It was one of their best wins in recent history, as they piled on 15 goals to just one, and showed that they are a genuine contender this year.

Rounding out last weekend's games was Albanvale, who again showed why they are the team to beat in 2015. After a tight first half, the Cobras kicked nine goals to one in the second half, winning by 73-points against the Sharks – a team who would have been hoping to challenge the ladder leaders.

Albanvale's Ange Messina kicked six-majors, taking his yearly total to 54 goals, doubling that of teammate Matthew Harper, who sits in second place with 27.

Parkside will be given another challenge this week as they face Tarneit. It will be a big opportunity for the Magpies to overcome the Titans, who will be recovering from last week's heavy loss.

The Wyndham Suns and Laverton also have an important clash, as they fight for the rights to

# ROUND WRAP

## DIVISION ONE U18

With five rounds left until finals, Division One is certainly heating up with the top four starting to take shape after last weekend's matches.

Round 13 was headlined by a third vs fourth clash with Werribee Districts facing off with Deer Park. The former fresh from coming off a bye, whilst Deer Park were looking to bounce back following a crushing defeat to Yarraville Seddon in round 12.

The game started off as a bit of a scrap, with both sides finding it hard to score. Deer Park had the majority of play in the first term, as Districts found it difficult to get it out of their defensive 50. Inaccurate kicking from both sides meant that just two goals were scored between both sides out of eight scoring shots.

The second term completely belonged to the travelling side as Werribee stormed out to kick seven goals to Deer Park's one major. Werribee's transition from defence clearing troubling the Lions, with Nick Buyx dominating off the half-back line to set up the Werribee attack. The Tigers were simply too quick with the ball and it showed on the scoreboard as the visitors took a 39-point lead into half-time.

The third term was a bit more of an even contest as both teams kicked four goals apiece, with Deer Park starting the quarter well, only to concede when on top, thus restricting a comeback. Werribee's speed was clearly an issue that the Lions needed to address at half-time and it followed on into the premiership quarter as the Tigers set up a likely win with a six goal lead going into the final quarter.

The final term was a case of Werribee holding out Deer Park, while also counter-attacking from defence to pile on more goals with Buyx grabbing two in quick succession as the Tigers closed the game out to win by 49-points.

Buyx, Crennan, McMahon, May, Malual and Copley were all amongst the best players for Werribee as they moved up to second on the ladder with a one game advantage over Hoppers Crossing in third.

Schembri, Portelli, Nesci, Maiava, Hough and Cooper made Deer Park's best players, but unfortunately weren't able to carry their team over the line. Their draw is pretty promising after the bye with two winnable games likely to cement their place in this year's final series.

### LADDER: DIVISION 1 U18

	P	W	L	D	%	PTS
SPOTSWOOD	11	10	1	0	235.94	48
WERRIBEE DISTRICTS	11	7	4	0	144.91	36
HOPPERS CROSSING	11	6	5	0	136.29	32
DEER PARK	12	6	6	0	142.75	28
YARRAVILLE SEDDON EAGLES	11	5	6	0	121.84	28
ALTONA	11	5	6	0	75.07	28
ALBION	11	0	11	0	12.82	8

Around the grounds, Spotswood cruised to another victory, defeating Albion by 150-points to go 12-points clear on top with five games remaining.

Mickey Nicholls was the standout performer on the ground for the Woodsmen, booting five goals while Charles Bettiol chimed in with four of his own. The win should probably see Spotswood hang on to top spot with the second chance final up for grabs.

Yarraville Seddon Eagles claimed back to back wins with a 25-point victory over the Warriors at Hogans Road Oval. The victory came after a brilliant second half in which they banged home seven goals and restricted their opponents to no score. The win sees Yarraville remain in fifth, outside the finals, despite wins against opposition that is above them in the past two weeks. The Eagles firm as an outside chance to finish in the top four with a favourable draw to close out the season.

Round 14 will see Werribee Districts involved in another mouth-watering clash, this time against rivals Hoppers Crossing when the two sides meet at Soldiers Reserve. Hoppers Crossing got the points last they met back in Round 7, so it will be interesting to see who gets the win this time around.

Yarraville Seddon will be hoping to knock off another opponent above them when the play host ladder-leaders Spotswood.

Finally, Albion are still looking for their first win of the season as they face off with Altona who is just above them in sixth. Deer Park will get a well needed break, looking to refresh before playing Hoppers Crossing in round 15.

# ROUND WRAP

## DIVISION TWO UNDER 18

Winter well and truly set in around Melbourne last weekend, as did the prospect of missing out on finals for Caroline Springs.

The Lakers sat four-games out of fourth spot after their massive Round 12 loss to Werribee Districts, so their meeting with fourth placed Hoppers Crossing was very important, for both sides.

Caroline Springs' one-goal first quarter topped their entire score from last week; however they still trailed the Warriors by eight-points at the first break. The game turned quickly in the Lakers' favour over the next two quarters as they restricted Hoppers Crossing to just four-points while they kicked six-goals to open a 28-point three quarter time lead.

Caroline Springs extended on the lead they had built in the final term to claim a vital 40-point win, as they reversed their 33-point, Round 4 loss to Hoppers Crossing, 10.7 (67) to 3.9 (27).

Joel Ives was one of the best for the Lakers while two-goals from both Jacob Tonkinson and Amrit Mundi were important. Jack Cahoon tried hard for Hoppers Crossing however couldn't help his side avoid their sixth-loss of the season as Caroline Springs edge closer to the top four.

The pick of the other games saw two of the top three-sides do battle as Wyndhamvale hosted Newport. The Power's sole loss of the season came against the Falcons in Round 4 and they were on the hunt for revenge to remain in the top two.

Impeccable kicking was the highlight of the first half as the sides combined for 10-goals and just two-behinds. It was the home side who held the advantage at half time as they turned a 12-point quarter time deficit into a 12-point lead.

The third quarter proved to be the turning point as Newport kicked four-goals to one to regain a slim five-point advantage with a quarter to play. Managing to keep Wyndhamvale scoreless in the last quarter, the Power turned the tables from earlier in the year to chalk up a 13-point win.

Mitchell Taleb's four-goals and Chris Sotiropoulos' three-goals proved to be the difference despite the best efforts of James Huntly and Jack Hussey for the Falcons, who fall a game behind the top-two after the loss, although they do still have a game in hand.

Other games saw Werribee Districts maintain their lead on the competition after their 56-point win over Sanctuary Lakes and Sunshine remained

in the finals hunt with a 72-point win over Glen Orden.

This week the Kangaroos will look to add another win to their total against Wyndhamvale, while Newport can continue their winning streak against Albanvale.

Hoppers Crossing face a tough test against Werribee Districts and Sanctuary Lakes can bounce back against Glen Orden.

Caroline Springs can enjoy their win for another week as they sit out Round 14.
