## **LET THE GAMES BEGIN...**

As the curtains closed on the 2015 WRFL home and away season last weekend, only half the competition remains in the fight for premiership glory.

With some teams earning bragging rights as the minor premiers and others

left counting their blessings after sneaking into the top echelon, it now comes down to this.

Yet regardless of where your team fell on the ladder, the first 18 rounds of football count for nothing if you can't apply the best talent and determination finals football demands.

Thus far, season 2015 has produced one of the closest and most anticipated finals series to date. with tipsters unable to pick a clear winner in any division.

Can 2014 bridesmaids Spotswood, West Footscray and Albanvale overcome their grand final ghosts from last year to clinch victory? Can Deer Park take home its third consecutive Division One premiership flag or can league newcomers Wyndham Suns make it a fairytale debut and take home the silverware? Only time will tell and I for one, am excited to get stuck into another great series of finals football.

Today, 18 clubs will take part in the first of four weeks of finals, a month that will see jubilation from some and heartbreak for others. Finals is also a great time to recognize the successes and

achievements of our players and officials who have worked extremely hard over the past nine months to earn a chance to stamp their mark in the league record books.

Regardless of the result, simply making it to play in the finals series provides everlasting memories for many players, long after hanging up the boots. For a look at the finals structure and details for the upcoming month of competition, be sure to flip to pages 6 to 7.

Also in this week's edition of the WRFL Footy Record, we take a look at the league's proposal to changing the age level of junior football (pg 5) as well as re-cap all the results from Week #4 of the Junior Finals Series on pages 56 to 57. Of course we have all the latest team lists, best players, Leading Goal Kickers (pg 39) and Images of the Week (pg 46-47) for you to enjoy, as well as the popular Celebrity Football Tipping competition on page 63.

## PROPOSAL TO CHANGE JUNIOR AGE LEVELS

By Kirstie Fitzgerald

The Western Region Football League is considering changing its junior age level competition structure to include Under 17 and Under 19 grades in season 2016.

The new proposal would see the retention of the junior Under 9 to Under 15 competitions, while the traditional Under 16 and Under 18 grades would make way for the new Under 17s division to be played on Sunday and Under 19s on Saturday.

The move comes after the WRFL Board and Juniors Board recognised a reduction in the number of clubs fielding Under 18 teams over the past several years, as well as the view that some Under 16 players who leave football, would be retained if offered another year of Sunday junior competition.

Consideration was also given to the difficulty of integrating Under 18 players into the senior club environment, with most players legally unable to participate in key club functions.

Initially releasing its intentions to change the age-level to all WRFL clubs in July, league chief executive Bob Tregear said that the feedback has been positive.

"Since distributing the proposal to all member clubs last month, we have had some really pleasing feedback.

"This decision will affect not only those clubs with current junior teams, but will also have an impact on those clubs looking to develop junior sides in the future, so to receive a positive response in its early stages is promising."

Eligibility for respective age levels will remain as currently defined in the league's by-law 4.1.2.1, with players to be under the nominated age-level on 31 December of the year prior to the start of the season.

To cater for the introduction of the new grades in the 2016 season, the effect would see the move of existing 2015 teams up by one year.

"Depending on feedback received, it is likely that some provision would be made for over-age development players at the Under 19 level, as currently provided in by-law 4.1.2.2," Tregear said.

With successful introduction of an age-level change in the Eastern Football League in 2012, the WRFL is hoping to receive similar results in 2016 if the proposal is successful.

"Recent discussions at staff level with senior EFL

staff indicated an overall satisfaction with the change, particularly with respect to the new Under 19 grade that was seen to assimilate much better into the senior club environment," Tregear said.

"While EFL staff noted that it would be unreasonable to expect a marked increase in Under 19 team numbers in the first year or two after such a change, they did report a rise in the number of under-age teams in the two and a half seasons since making the change."

Further data collection, analysis of historical records and detailed survey of club opinions are being reviewed to further inform discussion over the next six weeks, with a resolution to be sought by the WRFL Board later next month.

## ROUND WRAP DIVISION ONE SENIORS

Dear oh Deer, who was that team that limped off Hogans Road Reserve last Saturday afternoon with their Lions tale well between their legs?

Surely it was not the Deer Park side that has dominated the WRFL for the last two years. Breaking news- It was and they have some work to do.

This season they have shown a vulnerability that was not there before. They can be beaten and both the Warriors and the Tigers have exposed them in the last month

Deer Park is still a very good side but they look fragile because they lack a game changer. In their two losses this season they have lacked a player or players capable of taking the game by the scruff of the neck and changing the momentum of the opposition and heading into the finals that must be a concern to Marc Bullen

Hoppers Crossing were very good right across the ground. Jordy Mead is now an Andrew Gibson Medalist and he was electric up forward. He was inaccurate at first but finished with four goals. Skipper was dominate in the ruck and brilliant around the ground, and Ashlin Brown was rock solid off the half back line.

This week the Warriors take on Werribee Districts to continue their short but fierce rivalry. They have shared the spoils in their two meetings this year, but the last encounter was a one sided win to Hoppers Crossing. The big ground at Avalon Airport Oval will suit the Warriors, who I think will win this game.

Districts need all their guns to fire in particular their forward line. Andrew Panayi is the key. He is hard to match up on and can be explosive, but the midfield needs to hurt Hoppers on the scoreboard as well.

The other game sees competition powerhouse Spotswood in unfamiliar territory, a week one elimination final. The Woodsmen have played some great footy this year and some ordinary footy as well. On their day they are capable of beating any side except Deer Park, but that is another story.

Altona is in the same boat, their best is very good and

you know the rest. The talent on the park for both sides is impressive, with the Vikings boasting Post, Robbins, Lunardi, Leslie, Turnbull and Rafferty while Spotswood has Boyd, Langlands, Elliot, Iaccarino and Sablich

These two teams are not making up the numbers, both have the ability to go deep in this finals series. I think Spotswood will just be a bit more polished and their finals experience will get them home.

# ROUND WRAP DIVISION ONE RESERVES

It is often said that the best is saved until last, however in the case of the Division One Reserves competition, it was the wacky which was reserved until the end.

Hoppers Crossing enters its first round finals bye in impeccable form after demolishing visiting Deer Park, 20.11(131) to 3.3(21).

Mohamed Dibb and Mitchell Appleby led the way offensively for the home side, as they kicked five and three goals respectively.

Defence was a team affair as the Warriors restricted the Lions to just three goals over the four quarters.

The loss is a disappointing end for the Lions, who finish the season in sixth position in a year where consistency to play winning football has seen their season cut short

Hoppers Crossing now has the week off, and will keep a close eye on this week's qualifying finals match as they await the winners.

At Soldiers Reserve, Aaron Taylor booted a gamehigh six goals in Werribee Districts' 101-point dismantling of Spotswood, in what also sees the Tigers head into the finals in good form.

Much like Hoppers Crossing, Werribee were on top of their opponents from the get go, establishing a 38-point lead at the first break.

The second quarter was almost a repeat of the first as the lead ballooned out to 68-points, with the Woodsmen only able to register a solitary behind for the entire half.

The onslaught continued after halftime, as the Districts added another nine goals to run out 20.9(129) to 4.4(28) victors.

Werribee will today face St. Albans in the qualifying final, in what should be a cracking game at Avalon Airport Oval.

In the closest game of the round, Sunshine was able to just sneak past Altona, winning 7.13(55) to 6.13(49).

Wayward kicking affected both sides, as Sunshine's Nicholas Triplett was the game's only multiple goal kicker, finishing with two.

A late comeback almost saw the Vikings topple the finals-bound Kangaroos, however it was too little too late.

In an amazing coincidence, the two sides will meet for the second week in a row as they battle it out in the elimination final on Sunday.

PORT MELBOURNE COLTS	16	2	14	0	39.65	8

In a disappointing end to the already-disastrous season, Port Melbourne Colts was forced to forfeit its final game of the year after not being able to field a team.

The result hands St. Albans its 12th win of the year and confirms the Colts' position at the bottom of the ladder as this season's wooden-spoon recipients.

### **AFFILIATE REPORT**

### By Alex Karavas

We are at the business end of the season now where some teams are looking at finals football and pushing their chargers towards producing their best performances, while for others, it's another season done and gone.

Sadly for the Western Jets this year has been one to forget. With two games left to play, they currently sit at the bottom of the ladder with only one win to their name.

While there were no players from the Jets or WRFL who made the Vic Metro side for the national championships last month, the Jets do have some handy players on their roster.

Nicholas Buykx (Point Cook), Mitch Norton (Altona), Brayden Monk (Werribee Districts), Mitchell Palma (Hoppers Crossing), Tyler Crennan (Werribee Districts) and Mark Galea (Deer Park) are just a few of the 27 WRFL juniors to showcase their talents in the Jets' 51 man squad this season, a sign of good development in future years.

The VFL competition is looking more promising for the western region based teams, with Williamstown, Footscray and Werribee all sitting in the top echelon.

After a 17-point win over Casey last weekend, Williamstown sit in second place, four points off ladder leaders Box Hill with two games to play, while last year's premiers Footscray are sitting in fourth after a close 3-point win over Port Melbourne.

Williamstown had four WRFL players produce solid games on the weekend in their win, including Jack Charleston, Sam Critchley, Dylan Conway and Cam Lockwood who will look to cement their spots come finals time.

Spotswood product and Footscray vice-captain, Michael Fogarty, has also had another solid year in the VFL, playing 14 games for the Bulldogs this season.

Fogarty along with other WRFL products Ben Morton (Werribee Districts) and Brent Prismal (Werribee Districts) will be looking at playing some good footy in the coming weeks leading up to finals.

Sitting four points behind Footscray in sixth place is Werribee, who will be keen to secure regional bragging rights over Williamstown when the pair meet at Burbank Oval in Round 19 this weekend

Werribee Districts' Bol Kolang and St.Albans' Keenan O'Shea have been producing some solid performances in the Tigers Development team as well as fellow WRFL product Ben Stretton (Yarraville Seddon).

It's a good sign for the WRFL having all these players playing consistent football at the next level and in doing so, increasing their football experience to bring back to their own local club.

In this week's action, the Western Jets play Dandenong Stingrays at Burbank Oval, whilst in the VFL, Footscray play Essendon in Bendigo, and Williamstown play Werribee at Burbank Oval.

# ROUND WRAP DIVISION TWO SENIORS

Although the conclusion of Round 18 – and with it the regular season, offered no opportunity for clubs to make serious moves on the ladder, it wasn't without stakes. The chance for sides heading into the finals to grab the upper-hand or inject themselves with some confidence, gave this round intangible value.

One such game was Yarraville Seddon's clash with West Footscray. Despite being distinct underdogs, a good performance from the Eagles was an opportunity to put forward their flag credentials and ensure the premiership was not just within the grasp of the top two sides on the ladder.

Despite succumbing to an eventual 31-point loss, the spirit and work-rate on display meant that the Eagles will be no pushovers across potentially the next three weeks. Although the scoreboard was close all day, the Eagles were never able to get within more than an arms length of the Roosters.

Trailing by five goals at three quarter time, Eagles' coach Dean Callaway urged his charges to "back yourselves to win the game," and "make them [West Footscray] panic." The opportunistic Gordon Hillsdon and tough ball-winners Jake Rycroft and Jack Collins ensured West Footscray were never comfortable, but ultimately the margin couldn't be travailed.

In the hard fought, high pressure affair it was the superior foot skills and poise of West Footscray midfielders Jamie Zerafa, Steve McAnulty and Hayden Bray that proved the difference. Up front it was the imposing Rhys Kirk who did most of the damage with six goals, giving another string to the Rooster's abundant forward line.

The hit out was an ideal final scrap for both sides to finely tune for finals, both were in good form and can be encouraged by the standard of football on display.

Around the grounds, North Footscray's inaccuracy meant they were never able to trouble Wyndhamvale who secured the minor premiership with a 35-point win.

Caroline Springs thumped Sunshine Heights who end a disastrous 2015 without a victory, while Glen Orden managed to climb above Manor Lakes on the ladder as they defeated the Storm by 40-points.

# ROUND WRAP DIVISION TWO RESERVES

Last Saturday may have been the final round of the home and away season, but that didn't stop all eight Division Two Reserves teams from giving their best to the very end.

West Footscray have become the minor premiers this year after only losing one game for the season, but that means little as they step up to play finals this week.

Yarraville Seddon were on the losing side of West Footscray's stellar season last weekend, as the Roosters celebrated a 37-point home ground win.

Eagle Michael Volpi was able to kick three goals against the Roosters, which was enough to share the competition's leading goal kicking award with Caroline Springs' Michael Saker who steamed home to kick a massive 15 goals against Sunshine Heights.

The other two finals-bound teams also went head-to-head last weekend with second placed Wyndhamvale defeating fourth placed North Footscray, 14.8 (92) to 5.6 (36).

Despite coming into the first week of finals on the back of a loss, North Footscray will be eager to re-write the scoreboard in this Sunday's elimination final match against Yarraville Seddon.

At the top of the table, West Footscray is set to play Wyndhamvale, who will go into the match with confidence as the only team to defeat the Roosters this season.

The loser from this match will go head to head against the winner from the elimination final next week.

For the four other teams who did not make the finals, last week was their final chance to make a statement for 2015.

Glen Orden was able to finish the year on a high after defeating neighbourhood rival Manor Lakes on home soil, by 47-points.

The win was a great confidence boost for the Hawks who before this, had only defeated Sunshine Heights this season, finishing behind the Storm on the ladder in seventh place.

With a huge margin required to sneak Caroline Springs into the top four, it seemed the odds were too great, defeating Sunshine Heights 25.16 (166) to 4.1 (25) and in doing so, finishing the season in fifth

# ROUND WRAP DIVISION THREE SENIORS

The curtains closed on four clubs with plenty of upside and as Mad-Monday and self-evaluations concluded on a season well-fought. The crème of the crop prepare, however, to raise the stakes in the 2015 finals series.

Braybrook won't be there to defend their premiership after finishing the season with the proverbial wooden spoon. However, the season ended on a high at Bomber Land with a devastating 55-point victory over Laverton at home

The Magpies failed to defeat the Brookers in all three attempts this season but still impressively managed to finish fifth. They conceded eight goals in the opening term and failed to amount a fight back. Seven goals from Braybrook's Jason Cousins did his club best and fairest chances no harm as Tyrone Charles was again named best afield.

Lightning struck twice for North Sunshine as they proved themselves once again with a 17-point victory over the Wyndham Suns to finish the season with a fifth consecutive home victory. A close contest once more, the home side led at every change to finish the season with six wins for the year.

Despite finishing in sixth position, coach Joe Larizza will undoubtedly be proud of his chargers who provided their supporters with its best season in several years. For the Wyndham Suns, it is on to an elimination final with Sanctuary Lakes.

Tarneit's season provided plenty of excitement and improvement which returned five wins and a draw for seventh place. Unfortunately, their season finished on a sour note as Albanvale put kicking woes behind them and record an accurate 121-point victory. John Sirianni booted 12 majors if you don't mind; as spearhead Jason Karim led a flurry of multiple goal kickers for the Cobras.

The finals series kicks off with an explosive elimination final between Sanctuary Lakes and the Wyndham Suns. The Sharks finished third in the home and away season after a fantastic six goal win over Parkside. Confidence and form has peaked at the perfect moment for coach Nick Wadell's squad who defeated the Suns a fortnight ago. However, expect an exhilarating contest this weekend with no second chances on offer for the defeated.

A place on the grand stage awaits for the winner

# ROUND WRAP DIVISION THREE RESERVES

Although four teams bid 2015 farewell last weekend, the main story came from Robert Bruce Reserve, where Albanvale slumped to their second consecutive loss for the first time this year.

Tarneit exploded out of the blocks in the first quarter, kicking five opening term goals, before holding off the Cobra charges for the rest of the game.

Albanvale showed fight, but were simply unable to play a complete game, with only three players managing to kick goals. Ange Messina was again the prominent forward with four majors, while Steven Farrugia and Paul Adams kicked three goals apiece.

For the Titans, Terry Zervos kicked four goals, while Bradley Lancaster managed three, as Tarneit ran out 16-point winners, and showing all competitors they aren't just making up the numbers in the finals, but will be a genuine contender.

Another close game was had at Shark Park in a low scoring affair between Sanctuary Lakes and Parkside. With both teams playing for pride, it was Parkside who took the match head on, leading all day as the Shark's inaccuracy proved costly.

The Magpies showed that they will be a tough and feared team in the years to come, with the 10-point win a fitting way to end their debut season in Division Three

At Pennell Reserve, Laverton showed that they too are a major threat for the premiership, after defeating Braybrook by 66-points.

Jamie Bublenik was again the star with four goals, and despite Albanvale's Ange Messina's domination on the goal kicking table, Bublenik looks to be perhaps the better in-form forward of the competition, with 13 goals from his last three games.

Finally, the Wyndham Suns dominated North Sunshine to the tune of 107-points. They will be hoping to carry in some of that momentum into a big semi-final this weekend.

With both finals being played at Wootten Road Reserve, it will be a level playing field for the second semi-final between Albanyale and

Wyndham. The Suns have the wood over the Cobras in 2015, winning two out of three clashes between the pair this year.

Given their form, Albanvale will need to respond strongly if they are any chance to win, despite their position on top of the ladder.

Tarneit meanwhile will have the slight home ground advantage over Laverton in the do-or-die first semi-final, and should be able to extend their winning streak to seven wins. Bring on the finals!

At Insurance4Footballers our goal is to educate players on what they receive from JLT Insurance through their league registration and the gap in the policy as well as provide the best possible income protection for amateur footballers.

We are currently touring Victoria visiting clubs and educating their players about the importance of having the right personal insurance while playing football.

Through short 10 minute presentations we highlight the importance of extra personal insurance, especially if players:

Have a mortgage or loan

Are self employed

Have a young family

Or rely on their income for everyday living.

Our mission is to protect as many footballers and their families as possible, so that if a player is hurt and unable to work, Insurance4Footballers will be there to help along the way.

## **UMPIRES CORNER**

#### By Graeme Hodgart

During the season there has been a constant promotion of umpires from the lower grades of the WRFL to higher grades. Within the field umpiring ranks, five umpires have been given the opportunity to experience controlling first division senior games. They are Stuart McAlister, Dominic Cernaz (aged 20), Jackson Carroll (aged 18), Wayne Cooper and Ronan Hyland (aged 16). The rotation system, plus an increase in three-umpiring situations made available in 2015 has allowed these five umpires to run with more experienced umpires through the season.

A similar pattern is also obvious in other grades, with 11 field umpires promoted up to the Division 2 or Division 3 seniors for the first time, five of whom are young teenagers. Nine others have witnessed promotion to Under 18 football or senior/reserve games, seven of whom are also still teenagers.

At the beginning of the season, WRFL Director of Umpiring, Mark Westgarth was faced with the fact that eight of the top field umpires from 2014 were not available to umpire in the WRFL in 2015. While at the time the situation wasn't ideal, Mark encouraged everyone to step up and accept the challenge. He also emphasised the fact that all umpires were coaches themselves and when interacting with less experienced whistle-blowers, they needed to share their knowledge. Mark also implemented a structured rotation policy and a regular group meetings for field, boundary and goal umpires which continued throughout the season.

Even at the grassroots level, the encouragement of the newer umpires has been obvious. Mentors were spotted in many of the early Sunday morning games running with a green shirt umpire (first year umpires). In the Under 18 and Under 16 games, an experienced boundary rider was teamed up with one or two others who were just learning the trade. Leigh Rowbottom, coach of the boundary umpires, was seen doing this on several occasions. The new goal umpires, many of them young secondary students, were often given a mentor to work with at

the same end of the ground as they worked on their confidence and skills. Then they were given their own game usually with a more experienced partner at the other end to help guide them.

During the junior and senior finals many of those umpires listed above will be out on the field of play displaying their umpiring skills. We wish them all well and hope they enjoy their experiences in the WRFL 2015 finals.

#### LAWS OF THE GAME - QUIZ #18

#### Last week's question:

During a passage of play the field umpire notices that Player A is actively bleeding. What happens next? The answer was (OPTION C) The field umpire stops play at the first available opportunity and directs Player A to leave the playing surface.

#### This week's question:

Player A takes a clear mark only centimetres inside the goal square near the goal post. His opponent (Player B) immediately comes in and stands on the mark just outside the goal square. What happens next?

- (a) The field umpire blows the whistle to award the mark, comes in and positions Player B on the mark in the goal square directly in front of the goals about one metre out.
- (b) The field umpire blows the whistle to award the mark, comes in and penalises Player B for going over the mark which gives Player A a shot for goal on the goal line directly in front of the goals.
- (c) The field umpire blows the whistle to award the mark, comes in and positions Player B on the mark and lines Player A on an angle which is in a direct line from where the mark was taken to the middle of the goal line.

Be sure to check out the correct answer in next week's WRFL Footy Record.

# ROUND WRAP DIVISION ONE U18

The Warriors have arguably claimed the biggest scalp in under 18s competition this season, knocking off minor premiers Spotswood.

In what was a low scoring affair that yielded just 11 goals between the two sides, it was Hoppers Crossing who seemed like they wanted it more, running out 2-point winners.

The victory now opens up the premiership race, with an air of uncertainty now rising over the finals series.

Spotswood were kept goalless in the first quarter for the first time this season, only managing two behinds. If wasn't for in accurate kicking, Hoppers Crossing would of opened up a healthy lead, but instead registered 1.5 on the scoreboard.

The second quarter saw much of the same, with Spotswood struggling to kick majors as Hoppers stretched the gap to a 17-point halftime lead.

The Warriors banged on another two majors in the third quarter before holding off a four goal surge in the final term from Spotswood to take momentum heading into their clash with Werribee this Saturday.

McDonald led the way for the victors, kicking two, with support from Langdon, Shaw and Tiricola who each kicked one apiece.

Houlihan, Havard and Pollard dominated the contest for Hoppers Crossing making their way into the bests.

For the green and gold, Wilson was best afield, kicking two, while Bettiol, Lynch and Menadue all combined to produce good performances across the ground.

In other results, Deer Park secured fourth spot with a crushing 198-point win over Albion, Altona confirmed fifth place with an upset 6-point victory over second placed Werribee Districts. Yarraville Seddon had the bye last week, and unfortunately missed out on a finals berth.

The first weekend of finals will see an absolute blockbuster between Werribee Districts and Hoppers Crossing in the qualifying final at Avalon Airport Oval on Saturday, while Deer Park will face off with Altona on Sunday in the elimination final

The winner of Sunday's game gets a meeting with Spotswood who advanced straight to the semi-finals courtesy of their first placed finish.

Strap yourself in for a gripping Division One Under 18s finals series, it's going to be a beauty!

## ROUND WRAP DIVISION TWO UNDER 18

There was plenty to play for in the final round of the season with the slate of games having major ramifications for a host of teams.

Top spot was on the line as Newport met Werribee Districts, Albanvale were fighting to avoid a winless season against Wyndhamvale and the biggest game of the round was the battle for fourth spot as Sanctuary Lakes hosted Hoppers Crossing.

Both the Sharks and the Warriors faced a simple equation, win and play finals or lose and start an early pre-season.

With their season on the line, Hoppers Crossing made the faster start as they held a six-point quarter time lead.

The Warriors began the round outside the top four but by half time they had gone a long way to changing that as they opened a 20-point lead.

Facing elimination, the Sharks fought back with a four goal to two third-quarter to pull within nine-points with a quarter to play. With a slim lead, Hoppers Crossing dug in and secured a finals berth as they held on for a seven-point win, the final margin 9.5 (59) to 8.4 (52).

Nine-individual goalkickers for the Warriors helped them over the line as did the performances of John Tomelty and Liam Hall.

Sanctuary Lakes' Aaron La Chimia was the top goalkicker with three and both Marvin Seevers and Liam Banks added two-goals, but that wasn't enough to avoid a cruel end to the season for the Sharks.

As first plays second in the second semi-final, the Power and the Tigers were playing for the title of minor premiers.

Werribee Districts has led the way all season and at quarter time held a 10-point lead over the home side. Their lead was pushed out to an even two-goals at half time as the Tigers held Newport to only four-first half goals.

The Power fought back in the third quarter with three-goals to one and drew within two-points at the final break. However Werribee Districts made sure they'd remain on top and claimed the minor flag as they pulled away for a 15-point win, the final margin 10.9 (69) to 8.6 (54).

In other results, Caroline Springs claimed their sixth win of the season after a 24-point win over Glen Orden and the Cobras couldn't break through for their first win, as Wyndhamvale tuned-up for

finals with a 143-point drumming.

So eight now becomes four and the first week of finals provides us with two-huge games.

Werribee Districts face Newport for the second week in a row in the Saturday's second semi-final with the winner earning a one way trip to the Grand Final.

The first semi-final is a knockout game as Wyndhamvale host Hoppers Crossing with the winner facing the loser of the major semi-final.

## **SEDA PROGRAM**

#### Hands-on education

SEDA is an education provider that exists to engage, educate and empower young people as they transition from school to employment or further study. SEDA provides Year 11 and 12 students the opportunity to complete their full-time education within sport, recreation and community settings!

SEDA engages students in their education by connecting their passion to a hands-on learning environment. Students complete their senior secondary qualification and gain nationally recognised Vocational Education and Training (VET) qualifications.

Students who have completed their studies with SEDA have accessed positive pathways into further education, training and employment in a variety of industries. 59% of SEDA's 2014 graduates transitioned into university, while other students went onto secure a range of employment opportunities, traineeships and apprenticeships at the completion of the program.

SEDA has partnerships with Victoria University, Federation University, Latrobe University and Federation Training which offer students a guaranteed pathway upon meeting all requirements in their final year in the program.

Check out what some of our AFL VIC students said about the program.

#### **Brodie Stevens**

Ruck Rover at Deer Park Football Club

"If you want hands-on experience in the industry, then SEDA is a great choice for your schooling."

Brodie Stevens is currently in her second year of the SEDA program. The program has given her the necessary skills and confidence to progress with her future. Over the past two years, she has noticed positive changes in herself, including becoming confident enough to tackle any challenges she faces

Brodie said, "I've learnt how to how to communicate with kids and adults, how to network and how to be a leader.

"The SEDA program is great because you are around like-minded peers who are passionate about AFL and enjoy the sport-based curriculum."

In the third year of the SEDA program, students have the opportunity to complete a Diploma of Sports Development. Brodie will complete her Diploma in 2016 with the aim of going on to Victoria University to complete a Bachelor of Physical Education.

#### Mitchell Taleb

Full Forward at Newport Power

"Every morning I wake up energized and excited to go to SEDA.

Mitchell Taleb is putting his best foot forward in the SEDA program through developing key networks with industry partners and building relationships with these organisations' and their staff to assist him in his future

Mitchell is in his second year of the SEDA program and, over the past two years, the program has enabled him to create valuable friendships, networks and get his name out there in the community. As part of the SEDA curriculum, students are given the opportunity to do placement once a week as well as run clinics in the community. This enables students to develop their organization and communication skills.

Throughout his time in the SEDA program, Mitchell's confidence, communication and team work skills have grown. He said, "As the SEDA program offers an independent type of learning, which has enabled me to grow as a person. I love the hands on activities we do and the partnerships with AFL VIC and North Melbourne Football Club, which provide us with great opportunities that you wouldn't be given at your regular school."

Mitchell will complete his Diploma year in the Program with the anticipation of going on to Victoria University and completing a Bachelor in Sports Administration.

## **TEAMUP TODAY!**

TeamUp is a VicHealth initiative which encourages Victorians to connect with others through local physical activities. TeamUp motivates Victorians to be active, and to stay active.

Created by VicHealth, TeamUp provides opportunities across hundreds of sports and

activities for people to get active when and where they want. TeamUp has enjoyed more than 39,000 downloads already, and the TeamUp community continues to grow, with over 14,000 registered users.

VicHealth's TeamUp encourages Victorians to get active by making physical activity accessible, fun and social. There are now more than 2,300 activities on TeamUp, including walking, running, swimming, bike riding, yoga, pilates, netball, basketball and group training.

TeamUp makes it easier for people to increase their physical activity – particularly those currently inactive, or somewhat active. TeamUp

helps people overcome some of the key barriers to participation in physical activity, such as time, cost, transport, a lack of social connection and not having someone to get active with.

Available to download via the App Store (for Apple) or Google Play (for Android) or to use online at teamup.com.au, TeamUp is free and easy to use, and available to all Victorian adults.

VicHealth's TeamUp can be used by both individuals and sporting organisations alike. Users simply download the app or go to the website, sign up and begin searching for local groups, activities and events to get involved in. TeamUp can also be used to create new physical activities, or to stay motivated by connecting with nearby training buddies.

TeamUp is a great tool for groups, teams, organisations and physical activity providers to promote their events and activities to people engaged users in the local area.

Finding the motivation to stay active can be hard, but VicHealth's TeamUp makes it fun and social by connecting you with others in your area.

Find your motivation. TeamUp.
