PRESIDENT

Bruce Mildenhall

It has been a great pleasure to preside over the year in 2014. Succeeding Bill Baarini in late 2013 was a relatively smooth transition as he had left the Presidency with a strong sense of strategic direction and a united board.

Bill had also managed a series of major reforms that have created a new level of professionalism in the League administration. The new headquarters, new CEO, an independent governance model, and refreshed Board were significant achievements. This has resulted in an improved profile and financial performance for the WRFL, and four additional senior clubs joining the League in 2013 and 2014.

The growth in the number of senior clubs has allowed the League to address one of the major outstanding issues – the competitive balance within the competition. The WRFL has one of the largest average winning margins in community football. The introduction of a third division during 2014 was a response to these concerns and appears to have made a significant difference.

With the likelihood of additional growth in club numbers over the next few years, the Board is confident it can make further progress on the issue of competitive balance.

During 2014 the WRFL has participated in the work of the AFL Victoria Western and North West Development Council. The Council is chaired by Western Bulldogs President Peter Gordon and includes the Essendon District Football League, AFL Victoria and ourselves. It represents a major effort to identify joint projects to further develop community football in our respective areas. It had been prompted by a research report that showed participation in AFL football has not been growing at the same rate as population growth in the developing areas of Melbourne's West and North West. The AFL Commission has identified Melbourne's West as one of its three key areas across Australia for strategic attention.

The Council is working on ways of providing more opportunity for children to experience football and to better integrate the efforts of all the bodies involved, including clubs, the AFL, schools, Auskick, and AFL player visits. I am confident that additional resources will be found in response to the Council's work and that new partnerships will be created to increase participation in football.

The Council has also been briefed on AFL Victoria's "player payments" initiative, aimed at addressing the community football wide issue of growing player payments, which threaten the financial sustainability and evenness of competitions across the state. It is likely new measures will be introduced on a trial basis in 2015, with full implementation in 2016. The WRFL Board will be keen to participate in the trial stage and contribute to the development of a robust plan for full implementation.

The 2014 WRFL season itself was spectacular, with the combination of the dominant performance of Deer Park in Division One; the long sought flag in Second Division for Parkside; and the nail biting victory for Braybrook in the newly created Third Division. Congratulations to the teams, officials and volunteers of the Premiers in these divisions, and to those in all of our age groups! Our game and competition represent the combined efforts and support of tens of thousands of people in Melbourne's West. Our community is significantly strengthened by young people playing together, volunteers and players working together, and family members supporting and helping them. The benefit should not be underestimated.

In fact, the value of community football has recently been measured in a LaTrobe University Centre for Sport and Social Impact study. It found the average community football club makes an annual economic contribution of \$630,000. Perhaps more importantly, players are more socially connected than the average Victorian of their age group and more likely to obtain employment from the social networks provided by their club.

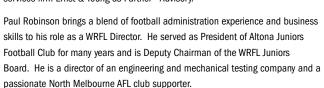

The study also showed football players enjoyed a significantly higher level of self reported physical and mental health than the general population, especially in the 'at risk' age group of 18 – 24 years. On average, for every player another 10 people are involved or reached in their respective communities. So football is not only big business, it contributes a substantial benefit to the wellbeing of our community.

Finally, I thank my fellow Board members and staff of the League. The Board has again recruited well, with Scott Chapman, Meredith Angwin, Paul Robinson and Ross Williamson joining our ranks.

Scott Chapman is the current CEO of the Royal Flying Doctor Service (Victoria). He has a strong background in senior management roles in local government and sport. Scott facilitated the workshops for our 2010 and 2014 strategic plans and adds significantly to the acumen of the Board.

Meredith Angwin has a unique pedigree steeped in WRFL history. Father Ron (dec.) served as President of the FDFL for 11 years, while mum Thelma served as Treasurer for 10 years – both were awarded life membership of the League. Meredith has extensive experience both in Australia and overseas in senior consulting roles for some of the world's largest corporations and has recently joined multinational professional services firm Ernst & Young as Partner - Advisory.

Ross Williamson is the General Manager of the popular South Melbourne Market. He has a Masters Degree in Sport and Recreation Management and extensive experience in senior management roles in sports as diverse as golf and swimming. Ross worked in a senior sports and recreation planning role with Sport & Recreation Victoria after migrating from Scotland in 1989.

The new members complement the Board with a strong combination of sports administration experience, club backgrounds, and diversity of skills. The existing members; Bill Baarini – a lawyer with wide experience in the courts, unions and former Mayor of Hobson's Bay; Barry Lovell – an experienced sports, state government and local government administrator and former Chief of Staff to

Sports Minister Justin Madden; Terry McGarrity – WRFL legend who has played, coached and umpired at the highest level; Dominic Drenen; our Treasurer and CEO of an energy retailer; and Gina Smith; - a widely experienced sports administrator and official.

Thanks also to CEO Bob Tregear, Football Operations Manager Dave Newton, Club Development Officer Tim Shellcot, Media and Communications Officer Kirstie Fitzgerald, Events and Admin Lyn McLeod, Accounts Kristy Vidovic - our permanent staff. Thanks also to the range of specialists and partners who bring the game to us - from Stephen 'Boppo' Smith and Peter Harley in the office, to media identity Kevin Hillier, caller Louis Bulzomi, 'Mr Interleague' Steve Thom, statistics guru Andrew Muscat, and a host of others who bring this terrific game to us every week.

CHIEF EXECUTIVE OFFICER

The value of strategic planning is nowhere more visible than in the advances made by the Western Region Football League in recent years. The 2010 strategic planning process that involved a wide range of club, umpiring and administration stakeholders in setting a new direction for the WRFL and its member clubs continues to bear fruit. Development of new clubs; return to the fold of established clubs; massive increase in umpire numbers; and a clear focus on quality service to all member clubs are just some of the many indicators of recent success. Perhaps the most important sign of all is the emerging respect for our clubs, players, volunteer officials and the WRFL brand both within the football industry and across the wider community.

Following the successful launch of new start-up clubs Manor Lakes and Sanctuary Lakes in 2013, the new Tarneit Titans Football Club was established in 2014 under the leadership of our only current female club President Sue Thornton. The Titans fielded two senior and three junior teams in their inaugural season and hosted both junior and Division 2 senior finals – a mighty effort that augers well for a healthy club future.

However, it was the return of Werribee Districts Football Club's senior teams to Division 1 competition after seventeen years with the VAFA that most graphically demonstrated the growing respect for the WRFL. In a bold move that would not have been contemplated even two or three years ago, the Tigers' committee acknowledged that respect for WRFL standards was one of the key considerations in their return to our senior ranks.

Introduction of a third senior competition division in 2014 was another of the key deliverables from the 2010 Strategic Plan to be realised this year. Despite many initial reservations about the wisdom of the move, the new competition structure was the subject of universal acclaim by season's end. In addition to providing the opportunity for six more teams to participate in finals each year, the new structure will improve competitive balance, reducing average win-loss margins and encouraging more sustained spectator support. Division 3 ranks will be expanded to 7 clubs in season 2015 with Wyndham Suns Football Club announcing its intention to field Senior, Reserves and Under 18 teams, again in favour of affiliation with VAFA – yet another vote of confidence in and respect for the WRFL brand.

Another important achievement from the 2010 Strategic Plan has been a near trebling of umpire numbers over the past five seasons. With more than 320 active umpires now registered, our attention is turning to quality improvement and retention. A second umpire training base was established this year at Saltwater Reserve, Point Cook. Almost 60% of our umpires are under 18 years of age; a similar proportion lives in the Wyndham and Hobsons Bay local government areas. A training base closer to home than the long-serving Scovell Reserve (Maidstone) is seen as essential to the strategy of retaining the interest of younger umpires past their initial years. Looking ahead, the league is negotiating with Wyndham City Council to establish a purpose-built umpire training base at Williams Landing, central to the majority of the WRFL's region.

The league has invested heavily in off-field support for umpiring in recent years. More than \$85,000 was expended in 2013-14 on umpire academies, training facilities, coaching and administration. Under the guidance of Director of Umpiring Mark Westgarth and his panel of coaches and observers, even greater priority will be directed in coming years to umpire education, training and retention.

The western region of Melbourne and the City of Wyndham in particular is recognised as the fastest-growing population base anywhere in Australia. However, despite the recent success in establishing new clubs, participation growth across the region is not keeping pace with population growth. The AFL Commission has now recognised the western and north-western areas of Melbourne as of equal importance to national development strategy as western Sydney and south-east Queensland. That recognition presents an opportunity for WRFL and EDFL to partner with the AFL in implementing targeted growth strategies that will directly benefit community football clubs across the greater region. Both WRFL and EDFL are already active participants in the new Western & North West Development Council, along with AFL Victoria under the chairmanship of Western Bulldogs Football Club President Peter Gordon. That partnership has the potential to secure a major increase in football development staffing, hopefully working from the WRFL office and in collaboration with WRFL staff.

One of the key deliverables of the 2010 Strategic Plan was to reduce the cost to member clubs of league affiliation fees. That has been achieved through

significant increases in sponsorship support and net finals-series earnings over the past four years. Despite the current low-interest rate environment, additional income has also been secured through careful management and investment of

Affiliation fees are the only direct call on member clubs to fund league administration costs. These fees are currently set at \$700 per junior team and \$1,400 per senior team and have not been increased since 2010, despite the growing costs of administration and compliance. Following a 10% reduction in 2012 and taking account of CPI movements, affiliation fees have seen an effective reduction in real terms of around 20% over the past four years.

The ability to avoid affiliation fee increases going forward will depend largely on identifying and securing new, non-club sources of revenue. Along with other metropolitan football leagues, the Board is currently investigating the prospect of introducing an annual registration fee for players, payable at the time of on-line registration by players rather than clubs. In addition to raising additional revenue, this would result in shifting some of the fund raising burden away from club volunteer administrators to individual players who are the ultimate beneficiaries of football participation.

Our success is in no small measure due to the increased levels of support from our commercial partners over recent times. Those partnerships both contribute to the WRFL's reputation and, in turn, are increasingly attracted because of the developing reputation, reinforcing the respect across the community for the WRFL brand.

A major coup for the 2014 season was the rollout of our new partnership with $7\,$ NEWS. As a significant contributor to non-club revenue, the 7 NEWS partnership brings a welcome boost to the budget. As a clear statement of support and confidence from a respected, high-profile media company with state-wide reach, the partnership is priceless in terms of WRFL image and brand awareness. A range of exciting new initiatives is planned to consolidate the 7 NEWS partnership in 2015 and beyond, aimed to engage directly with WRFL clubs, players and supporters; and to provide television news coverage of WRFL activities on a regular basis. Our thanks are extended to Seven Network Programme Manager Graeme Hill, News Director Simon Pristel and Marketing Executive Elle Cato for their personal efforts in establishing and promoting the partnership.

Our band of commercial affiliates continues to grow in numbers, adding further weight to the league's reputation as a reliable and valued community partner. Sincere thanks to all of our 2014 partners whose support has made our competitions and programs possible, including:

The key to success in any endeavour is sound governance. The WRFL Board underwent a further phase of renewal in 2014 with retirement of past President Bill Baarini after four years at the helm; election of Bruce Mildenhall as the new

President; and injection of new Directors Meredith Angwin, Scott Chapman, Paul Robinson and Ross Williamson. The current Board brings to the table a wide range of professional and sporting acumen; and a willingness and expertise to meet and overcome the many challenges faced by a volunteer-based, community sporting association. My thanks to Bruce and his Board for their unwavering support to the staff team throughout the past year; and for their respective voluntary contributions to the good governance of our league.

WRFL member clubs are served by a small but capable and united staff team, committed to delivery of quality service and support to club officials. My thanks to David Newton (General Manager Football Operations), Tim Shellcot (Football Operations & Club Development Officer), Lyn McLeod (Customer Service & Events Coordinator), Kirstie Fitzgerald (Media & Communications Manager) and Kristy Vidovic (Administration Officer) for their hard work and support throughout a challenging 2013-14 year. Kristy took parental leave for much of the year, with well-known western region identity Stephen (Boppo) Smith providing seamless and professional cover during that time. Peter Harley continued in the challenging role of securing and servicing our commercial partnerships; and Kim Peak provided professional accounting and statutory compliance support.

As we move toward the 2015 football season, the Western Region Football League is poised to capitalise on the governance, organisational and program initiatives implemented over recent years. Our new Strategic Plan will be finalised and adopted in early 2015, setting the direction for continued development. Support to member clubs will be a cornerstone of the new plan. Our new plan will align with the work of AFL Victoria's Western & North-West Development Council, aimed to inject a major increase in football development resources to our region. Our league is well placed to realise the benefits of good governance and sound planning.

FOOTBALL OPERATIONS

The 2014 season saw the reintroduction of Senior Interleague for the first time in over 10 years. The WRFL formed part of the new AFL Victoria Senior Metropolitan Championships that took place on the last weekend in March. The WRFL (ranked 5th) took on the Southern Football League (ranked 6th) at Visy Park and was successful in defeating the SFL 11.16.82 to 6.10.46. The Season Launch provided for the jumper presentation with the final squad all receiving their jumpers from Tim Watson who represented the WRFL's major sponsor Seven News. The commitment shown by all players and officials exemplified the united bond that representative football is all about and it was testament to the hard work of Coach Brett Jacobs and chairman of selectors Steve Thom and their coaching team that provided this focus from the outset. I congratulate Tim Jenkins, Kwame McHarg and Lee Spiteri who were selected to represent Victoria Metro against Victoria Country in July and were all named amongst the best players in a game that saw the best community footballers in Victoria go head to head.

The commencement of the home and away season signalled the continued growth of the WRFL with the move to three senior divisions. Division One comprised 10 teams after welcoming Werribee Districts who moved their senior teams from the VAFA to the WRFL. They had a very successful season making the finals in their first year. With new club Tarneit entering senior teams this meant 14 teams would compete in Division Two for the first 13 rounds prior to splitting into two separate divisions of eight (Division Two) and six (Division Three). Playing the remaining five rounds in their respective divisions, it was pleasing to see the average margins reduce by over 10 goals in the Division Three competition over this time.

Although the initial nominations pointed towards decent growth, the Under 18 team numbers remained consistent with only 15 teams participating

across two divisions. The recent work to align the Under 18s with the senior competitions has been difficult and therefore a different direction may be used with a grading model being discussed at present. A total of 243 teams competed across all WRFL competitions. There were a total of 21 junior divisions from Under 9s through to Under 16s including the combined Youth Girls competition with the EDFL which continues to grow.

Development was also seen in our umpiring numbers; increasing to 323 from 307 in 2013. The most pleasing note was the significant boost in the umpires we retained which was up from 46 per cent in 2013 to 63 per cent in 2014. The WRFL established a second umpiring training base as Saltwater Reserve, Point Cook to cater for the growth in umpires that reside within the municipality of Wyndham. This complimented the academies running at both Werribee and Caroline Springs. The concept of club umpires being required on a Saturday is a distant memory and their requirement on Sundays is very minimal due the increases as outlined above.

The WRFL Finals Series was played over an eight week period with the juniors taking the stage for the first four weeks at Hoppers Crossing, Tarneit, Altona and Laverton. A total of 68 junior finals matches were played across the four venues, hosted by clubs who showed great commitment and professionalism to ensure the finals were the showcase of an outstanding season.

With the move to three senior divisions there were some changes to the structures with both the Division Two and Division Three competing in final four formats. The senior finals were played at Tarneit (Division Two), Hoppers Crossing (Division Three) and Avalon Airport Oval, Werribee (Division One and Division Two Grand Finals). The great weather across all junior and senior finals made for some terrific finals matches.

The senior Grand Finals were the culmination and celebration of the season and the re-introduced Division Three competition set the scene early. With the margins being four, two and five points at each break the last quarter reciprocated with Albanvale pulling back a three goal deficit late in the last quarter. With the ball being kicked long into the Albanvale forward line the siren sounded handing Braybrook its first Premiership since 1999. They will be looking to repeat their efforts in 2015 to work their way back into Division Two.

The Division Two Grand Final which also played host to our life members' function was a derby like affair between Parkside and West Footscray. Parkside, who had lost four of the last five Grand Finals went into the game resounding favourites and started that way keeping West Footscray goalless during the first term to lead by 34 points. West Footscray mounted some resistance during the second term but ultimately Parkside were able to keep them at arm's length and go on to win the Premiership and promotion to Division One for the first time since 2007.

Deer Park entered its second consecutive Division One Grand Final remaining undefeated throughout 2014 whilst Spotswood were playing in a record eighth consecutive Grand Final. Tim Watson arrived in the Seven News helicopter with the Premiership Cup and presented it to President Bruce Mildenhall prior to the match. The game was played in perfect conditions in front of a great crowd. Although poor kicking on goal from Deer Park in the early stages kept Spotswood alive, it was only momentary as they started to display the dominance as witnessed all season. They went on to record a 77 point win and become back to back Premiers and undefeated Champions.

I would like to thank the following clubs, organisations and individuals who contributed to the success over the eight week period:-

Hoppers Crossing FC

Yarraville Seddon FC

Tarneit FC

Altona Juniors FC

Werribee Tigers FC

Match Managers

Laverton FC

Finals match day officials

Werribee CC

It is exciting to see the development and professionalism of clubs on display throughout the season and highlighted during the finals. Each of these clubs are galvanised by the long list of dedicated committees and passionate volunteers.

The football operations team is well supported by the following groups:

- Tribunal Chairman Dale Sayner and the panel of Independent Tribunal.
- Appeals Chairman Graeme Bloom and the panel of Appeal Board
- Chairman Mark McDonald and the Independent Hearings Committee.
- Tribunal Secretary Brian Wilson who continues to provide countless hours in support of the Tribunal.
- Director of Umpiring Mark Westgarth, umpiring appointment members and the coaches and support staff who have worked hard to grow and develop our young list of umpires.

The WRFL administration provides a great resource support to all WRFL clubs and their networks and I thank Bob Tregear, Tim Shellcot, Lyn McLeod, Kirstie Fitzgerald, Stephen Smith, Andrew Muscat, Peter Harley and Kim Peak for their great support throughout 2014.

2015 will see the WRFL take on the Eastern Football League in the Senior Interleague with a win placing the WRFL as the second ranked metropolitan league in Victoria. We will see Wyndham Suns enter senior teams for the first time in the WRFL that will increase our senior teams to 25 across three divisions. Well done to all clubs, players, officials and supporters for a successful 2014 and I look forward to growing our game further next year.

CLUB DEVELOPMENT

Tim Shellcot

Season 2014 provided many highlights from a club development perspective. In senior football the transition to three divisions was completed following round thirteen and it is hoped the new structure will provide greater competitive balance across all senior divisions. The Tarneit Titans played their first competitive matches, fielding teams in both senior and junior football, while the Wyndham Suns announced post season they will enter teams in the WRFL senior competition in 2015. The year also saw the beginning of a number of development initiatives that should have significant positive benefits for our clubs over the next few years.

The junior competition maintained its participation levels, with 27 clubs fielding at least one team. From Under 9s to Under 16s, including our girls

competitions, 180 teams participated. Of the 27 clubs that fielded junior teams 22 had a team participate in the finals, guaranteeing interest in the finals series was high. Fourteen junior grand finals were contested and with twelve clubs winning at least one premiership the feeling of on-field success was well spread throughout the league. From an operational perspective the finals series was a great success with good weather over the four weekends providing the foundation for high quality, competitive matches watched by sizeable crowds.

The WRFL Youth Girls continued as a joint league with the EDFL. Now in its second year this structure has provided stability and greater competitive balance to youth girls' football in the west and is providing a base from which a standalone WRFL competition may grow. The two leagues also joined forces to again field a Western Region Youth Girls Under 16 interleague team in the AFL Victoria Metropolitan Championships. This team struggled to match it with their stronger opponents and planning has commenced to improve the competiveness of this squad and to provide the girls with a more enjoyable interleague experience.

Seven squads represented the WRFL in male junior interleague matches in 2014. Congratulations go to the Under 13s who played great football in the round robin carnival against the EDFL and RDFL, regaining the perpetual shield lost the previous year. The league's Under 12 and Under 13 squads also played a full length game under lights against the EDFL, with both squads playing well to earn two wins. The Under 14 and Under 15 squads again competed in the AFL Victoria Metropolitan Championships, showing good form in matches that are important as a setting for initial elite level talent identification purposes. The Under 14 Division 1 squad was the best performer, missing a grand final spot on percentage.

While the win/loss ratio is important it is only one factor in determining the success of each year's interleague programme. Junior interleague football is

primarily an opportunity for our best junior talent to test themselves against the best from other metropolitan leagues, allowing them to develop as players and to take, for many, their first significant step on the talent pathway that leads to higher levels of competition. The interleague programme also has important benefits within the junior competition, providing an environment in which players from all clubs can build relationships that may carry throughout their football careers.

Coaching an interleague squad is a challenging task requiring skills including talent identification, match day tactics, player management and diplomacy. Each coach has a limited period of approximately eight weeks to pick and train his squad and the competiveness of all squads in 2014 was a testament to

the ability and commitment of each head coach; Under 12 - Colin Clohesy, Under 13 - Mark Smyth, Under 14 Div 1 - Jason Rainbow, Under 14 Div 2 - Cam Atkins, Under 15 Div 1 - John Singarella, Under 15 Div 2 - Charlie Maglogiannis and Under 16 - Andrew Willis. The Under 15 and Under 16 squads, in particular, dealt with some unique challenges during their training programmes and I congratulate the coaching staff and players on their ability to meet those challenges. North Sunshine, Laverton, Altona Juniors and Flemington Juniors football clubs provided access to their facilities, hosting either interleague training or matches and providing tangible assistance in the development of the WRFL's best junior talent. The Western Jets Football Club also provides significant support to the WRFL's interleague programme and the league looks forward to this valuable relationship continuing.

Season 2015 will present many opportunities for the WRFL to continue the development of football in the western region of Melbourne. The league maintains strong relationships with each local Council in our area and these relationships are important as we work with councils to ensure involvement on a variety of local government issues directly affecting our clubs.

Significant progress has been made in the latter half of 2014 to identify and begin connecting the work AFL Victoria, the Western Bulldogs and the WRFL do to build football in the west. A number of strategies are being developed, particularly aimed at stabilising and strengthening our clubs, and football in general, in the historical inner west heartland of the WRFL. These include pilot programmes to provide specific advice to improve club administration and increase junior participation, and to improve the transition of children from Auskick and school programs into junior club football. The league will also work more closely with AFL Victoria to ensure all coaches understand the importance of achieving and maintaining an appropriate coach accreditation and of opportunities to further their coaching knowledge. The senior coaching seminar, held in January 2014 in conjunction with the Western Bulldogs coaching staff, was

attended by over 40 WRFL club coaches and is an example of an educational opportunity we hope to continue to provide. Coach education and accreditation is important given the critical role all coaches play in instructing their players and in leading club philosophy and behaviour.

Thanks to the Juniors Board for their guidance to both WRFL administration and Executive Board on the format, structure and functioning of the junior football competition. The seven members of the Juniors Board all have significant experience in junior football at club level and their recommendations are vital in ensuring the league maintains a balanced and competitive junior competition.

Thanks to WRFL staff Bob Tregear, David Newton, Lyn McLeod, Kirstie Fitzgerald, Peter Harley, Kristy Vidovic and Stephen Smith and to AFL Victoria's Tom Delahunty and Darryl Collings for their advice and assistance throughout the 2014 season and to the many club volunteers without whom our football clubs and league would not exist.

UMPIRES Mark Westgarth

2014 resulted in a significant increase in the umpires retained from the previous season. With umpires now umpiring in consecutive years, it allows us to build in those umpires the skills required to umpire at a higher level than previously achieved. This in turn develops the depth of skill in the umpiring group. To put it in numbers, during 2014 we have just over 300 umpires, similar to 2013, however we retained two thirds of the group and recruited one third. With just on 200 umpires returning to the WRFL this suggests we are providing an environment in which umpires enjoy being part of the league. The ongoing aim of the WRFL umpiring department is to improve the skill base for all umpires and we believe this has occurred in 2014.

With the standard of football continually improving in the WRFL, so to must the umpiring standard improve, and during 2014 we introduced a second training venue option for umpires at Saltwater Reserve, Point Cook. The sole objective of this venue was to simply provide another option for umpires to train and receive coaching and skill development with fellow umpires, given the WRFL covers an enormous area geographically. Saltwater achieved its objective and will continue in the 2015 season.

In the WRFL we need to supply 48 field umpires in senior and reserves football and 14 in the Under 18s on a Saturday, whilst on Sunday we need in excess of 160 umpires to cover 80 junior games of football. I have not included boundary and goal umpires, so when we look at those requirements we have a significant number of umpires to develop across all three disciplines and the WRFL umpiring department works very hard to develop the best possible umpires for the WRFL.

The umpiring academies across the league are starting to show the benefits of the hard work of the coaches and mentors, with seven out of the top 20 Division One field umpires coming from the academies since 2009. A large number of boundary and goal umpires who commenced at the academies have also reached Division One senior football. Thanks to the team of academy coaches, with many being current Division One umpires, for the work with the junior umpires. Christian Brenner, Roland Caple, Adam Cosham, Phil Henderson, Graeme Hodgart, Mark Mather, Terry O'Donnell, Anthea Walsh, Will Watson and Mathew Westgarth provide the experience, passion and leadership to develop the future of umpiring in the WRFI

Like football clubs, umpiring requires a number of dedicated coaches to work with the umpires in game day coaching, training and skills/laws coaching. I would like to thank Graeme Hodgart (Goal Umpires Coach) and his assistants Leo Keating and David Wright, Leigh Rowbottom (Boundary Umpires Coach) and his assistants Richard Watt, Donna McDowall and Maree Wilke. Mark Mather (Junior Coach and field observer) and field observers Rene van Kuyk, Brett Cryer and Paul Dimartino provide excellent support, advice and feedback, not just to myself, but the whole umpiring group.

A special mention goes to the umpires mentors who work with the junior umpires, known as 'green shirt' umpires. These umpires start in the Under 9s and 10s and many umpire and/or are involved for the rest of the day in junior football. Without the mentors we would not be able to develop the junior umpires therefore they are critical to development of umpiring in the WRFL. Mark Mather (Junior Coach), Anthea Walsh (Junior Boundary Coach) and Rene van Kuyk (Umpires Administrator) are exceptional people who work way beyond their roles in supporting WRFL umpires.

During 2013 we started the key challenge to develop umpiring skill base and in 2014 we have continued to develop our skill level. With more video analysis in 2014 and potential video coverage of Division One games in 2015, this will allow for more focussed coaching. We consider this aspect of video will also assist with coaches, players and spectators having the ability to view WRFL football and develop a greater understanding of the laws of the game.

The WRFL continue to provide tremendous support for the umpiring department, led by Bob Tregear and his team. We look forward to ongoing developments in relation to coaching initiatives and promotion of umpiring in 2015.

Again Maree Wilke provides a unique role within the umpiring department from administration, boundary observations, female liaison and the one person who has the ability to check the male egos in the umpiring group. Likewise the trainers who support the umpires have a key role in keeping the group running at their best but the most important group I wish to recognise is the families of the umpires who are always there to support us when things don't go well.

Finally I would like to thank WRFLUA President Henry McFerran and his executive for their support during 2014. I look forward to working with everybody involved in the WRFL in season 2015 and thank everyone for their advice, ideas and suggestions, as we can all learn from each other.a

TRIBUNAL

Dale Sayner

The WRFL Tribunal heard a total of 71 cases in 2014, 52 of which were found to be guilty and 19 not guilty. This was up six cases compared to season 2013. Automatic penalties were also up six compared to the previous year.

The amount of severe cases totalled seven which remained consistent with 2013 but down considerably with the previous five seasons. The league is based upon playing a physical sport in a fair and competitive manner with a total display of sportsmanship. These cases did not come under that category and were dealt with accordingly.

Although it is felt that the level of discipline within the competition and the clubs is at a reasonable level, it must be noted that we have some serious issues to attend to with relation to the juniors. This season saw 33 junior clubs attend the WRFL tribunal which equated to 46% of all cases. One third of these cases related to under age officials, of which half were related to abuse towards umpires. Clubs must take responsibility for its officials and members and be vigilant in providing them with clear role descriptions and codes of conducts. As well handing out suspensions, the Tribunal also handed out substantial fines to clubs as a way of increasing the awareness of these responsibilities.

The 52 guilty verdicts handed down by the Tribunal led to a combined total of 187 matches in suspensions.

At all sittings throughout the year the clubs and umpires presented themselves in a very professional and courteous manner, however the standard of some of the advocates representing the players can be improved. A greater focus on judicial advocate courses will occur in 2015 to ensure clubs and players are much better prepared when attending Tribunal.

The Tribunal panel once again consisted of eight members with one change with Ben Sutherland retiring his seat and Paul Smallwood being the new member of the panel.

The Tribunal Panel Members for Season 2014 were:

Adrian Noble (Deputy Chair)

Michael McNamara (Deputy Chair)

Darren Mayne

Jim Simmonds

Frank Plata

Rod Evans

Paul Smallwood

The WRFL is greatly appreciative of the time that all Tribunal members commit to the league each year. The league would also like to thank Brian Wilson and Richard Watt for sharing the Tribunal Secretary duties for the 2014 season.

The Tribunal still has the aim to achieve a figure 50 per cent less than this season produced, and with the help of the clubs in total this can be achieved.

The new look WRFL website

It was one big step forward for the WRFL in season 2014, and one giant leap for its media department.

In the lead up to the first bounce of the new year, the WRFL launched a colourful new website. With a fresh look and cutting edge design, our website is now more user friendly and mobile phone compatible. With the ability to include regular photo galleries, feature stories and video content, the WRFL website is one to be proud of. In the midst of its debut year, it is extremely pleasing to report that the league has built on the increased page impressions in 2013 and has seen a significant rise in web traffic and unique users since the developments.

With a new website established, our

strong social media presence also grew with a 63 per cent increase in the number of Facebook Page 'Likes'. Adding to that the average Weekly Total Reach of 10,369 people and increased user engagement of 2,365 people a week, it was another successful year on Facebook which we hope to build on in the future. Other social media platforms including Twitter saw a rise in Followers, ticking over to the 1,000 mark at the end of October. The league also established its inaugural Instagram page where fans can upload and share images, with close to 650 followers in its debut year. With the increased dependency on social media platforms used on a daily basis, the WRFL is keen to continue to improve its hold on the digital landscape in 2015.

With more opportunities to engage with people online, the WRFL produced regular video content which attracted more than 19,000 views. The Junior Footy Show increased its content from four episodes a year to 12 this season. Uploaded each fortnight, the new look Junior Footy Show featured AFL player profiles, Junior Heartland Winners, match footage as well as special coach and player interviews. Special thanks must go to volunteer Film and Television guru Dylan French who accompanied me each week to capture all the best moments in our junior competitions. Senior football was also covered on our YouTube channel with the birth of the new Senior Football Show and Half-Time Heroes segment. With a Post-Match and Preview Show uploaded each week, Steve Thom and Kevin Hillier dissected all the action from across our three senior competitions. Introduced midway through the 2014 season, the WRFL Media team is looking forward to bringing you more senior content early next year. Special thanks to Kevin and Steve for their insights as well as cameraman Andrew Wilson.

Our online presence also came in the form of email, with the continuation of our ever popular e-newsletter, First Bounce. Distributing a weekly edition to a database of more than 6,000 people every Friday, First Bounce allowed supporters to interact with the league and catch up on what was making news in the west. With weekly feature stories, interactive videos and Junior Milestone awards, First Bounce will continue to grow in popularity and is set to reach a greater audience in 2015.

It was a new look radio outfit in 2014, with the addition of three fresh faces joining the Match of the Day broadcast on 88.9 WYN FM. Commentator Louie Bulzomi took to the airwaves with ease, with his work calling games alongside Steve Thom and Kevin Hillier seeing him fast become a familiar voice of the west. Brandon McLaren was terrific in his role as studio host and Andrew Wilson was also outstanding as the official stats guru. My sincere thanks go out to the radio team and WYN FM President Neil Maloney for their unwavering dedication and support this season. Congratulations must also go to 2014 Media Award recipient

Steve Thom for his work on the airwaves and Senior Footy Show for not only this season but for his work over the past decade.

A staple for players and supporters alike, the WRFL's Footy Record was once again a favourite at the local footy. Increasing its content from 48-pages a week to a staggering 64-page edition, the Footy Record was able to cater towards more junior based content and results. With the increased amount of content, the WRFL's faithful and hardworking team of volunteers produced the Record with a circulation of 1700 copies each week. The team of Kevin Hillier, Declan Boffa, Justin Lemmon, Andrew Mead, Lavan Ruban, Johann Forbes-Anthony, Graeme Hodgart, Christopher Chick, Andrew Muscat, Shannon Brien and Sara Luczak have all been such a wonderful support this year producing weekly feature articles and match reports. Through their passion and expertise, the WRFL was able to deliver a more comprehensive coverage of football in the west, and for that I thank you.

Adding to the largest volunteer media team we have seen, our new junior photographers Jayde Ferguson and Wade Archer were able to bring life to the page through their sensational action shots. Along with our professional Cyan Press photographer Darrell Jones, all three photographers gave up their time each weekend to build up our extensive online gallery. A special mention must also go out to all of the club administrators and individuals who provided images and stories for us to cover each week. I look forward to developing these club relationships even further in 2015.

Whilst the WRFL media streams have seen improvement in season 2014, the external media support we receive throughout the football season and indeed leading up to it, is critical to promoting the league and its clubs to our community. This season we were fortunate to have Melbourne's 7NEWS become a major supporter of the WRFL, featuring a number of special news stories during its sports bulletin throughout the year. The WRFL media department is looking forward to increasing the amount of content featured on 7NEWS in 2015 and urges all clubs and supporters to put forward ideas and be proactive. Our appreciation must also go to our other external media organisations including community radio station WYN FM, Star Weekly and Leader newspaper group as well as commercial radio station SEN 1116.

Finally, thank you to the WRFL team, their continued support and willingness to assist me this year has been outstanding. See you in 2015!

WESTERN REGION FL TOPS SOUTHERN FL

Courtesy of www.aflvic.com.au

The Western Region Football League has out-muscled the Southern Football League to clinch Game 1 of the Metro Championships.

A five-goal onslaught either side of half time proved the difference as the boys from the West powered to a 36-point win

Losing key backs Nathan Stewart to a heavy knock and Luke Crozier to a hamstring injury proved a challenge too great for the Southern FL to overcome in the 5v6 play-off.

WRFL's bevy of talented smalls shone, with Lee Spiteri (Altona) winning the best-on-ground medal and receiving plenty of support from Tim Jenkins and Kwame McHarg. The trio, along with key forward Mitch Turnbull, all booted two goals to help their side progress to the 3v4 play-off in 2015.

The 2014 WRFL Senior Interleague Squad.

Captain Jason Cloke was another key contributor across half back, while the silky skills of Brad Sutcliffe were on display throughout.

For the SFL it was East Brighton's Damien Rayson who led the resistance, winning plenty of ball through the middle and kicking two monster goals.

Captain Dean Williamson also stood tall against the tide, kicking two classy majors and picking up plenty of possessions in close.

With fans still filtering in to Visy Park, it was a somewhat subdued opening with both team struggling to find their feet.

Turnovers and poor kicking in front of goal meant that neither team was able to gain any real ascendancy, although it was the WRFL that appeared the surer by hand and foot.

Things appeared on a similar course in the second term until the WRFL sprang to life.

A thumping goal from Damien Rayson had pulled the SFL within two straight kicks but it seemed to spark the boys from the West.

Spiteri found space in the forward 50 to ram one home and his effort was quickly followed by goals to Steven McAnulty and Jenkins. The St Albans small man was $\frac{1}{2}$

one of the stars of the first half with run and carry providing plenty of headaches for the SFL hierarchy.

Another to impress was Deer Park's McHarg whose defensive pressure created plenty of opportunities for his fellow forwards.

The three late goals had split the game open and helped the WRFL to a 26-point lead at the main break.

McHarg's work was rewarded in the third term with his second goal telling as the WRFL took complete control of the match.

The boys in blue spent almost the entire first half of the quarter in attack and when Jordan Robbins slotted a booming goal, the margin was suddenly out to 45-points.

But just as a white wash loomed, SFL hit back with their best period of the game, kicking two goals and moving the ball with much greater efficiency.

Despite the increase in intensity, SFL remained 37-points adrift at the final change and needing a miracle to get back into the contest.

It never arrived.

The WRFL cast aside any doubts over the result with Jenkins getting forward to kick one of the goals of the day in the opening minute of the quarter. With two opponents to beat at the fall of the ball, he sold some candy before stepping inside and casually slotting his second major from 15m out.

Spiteri's second a short time later secured the BOG award and the only question was how much?

But showing great pride, the SFL refused to quit and bagged three of the last four goals to reduce the final margin to 36-points.

YOUTH GIRLS

In season 2014, the WRFL continued its relationship with the Essendon District Football League with a joint Youth Girls competition. With the fast growing interest in female football on the rise, this season saw 113 girls lace up the boots each Saturday, an increase of 30 per cent from 2013. Playing across both WRFL and EDFL venues, the combined competition was able to provide girls aged 13-18 with the opportunity to play competitive football in an all-female division.

In addition to the four 2013 WRFL teams Wyndhamvale, Altona Juniors, St.Albans and Deer Park, the Point Cook Football Club established its inaugural Youth Girls squad to join the competition in 2014. Both Wyndhamvale and St Albans were successful in making the finals with Wyndhamvale progressing to the Preliminary Final where they went down to Melbourne University by five goals. Despite our WRFL teams missing out on a Grand Final appearance, the league is excited for the growth of female football, with the hope that more clubs will develop Youth Girls teams to establish a standalone competition in the future.

In 2015 the league will be exploring its fixturing options to provide the best opportunity for female football to continually grow. The league would like to thank those club volunteers who really drive the success of the female football landscape within their clubs. Thanks must also be given to Steph Zerowski from the EDFL who through the continued partnership, enables the combined competition to run efficiently.

300 GAME LIFE MEMBERS

Created in 2013, the WRFL 300-Game Life Membership category recognises those players and umpires who have given long participation service over an extended period and who may not otherwise qualify for Life Membership of the league. This year the WRFL inducted five new members to the honour roll, including Charlie Pagano, Andrew Fregonese, Lindsay Howarth, Trevor O'Shanassy and Sean Weir.

2013	G. Langlands	Spotswood
2013	B. McQuade	Port Melbourne Colts

FINANCIAL REPORT

Treasurer's Report

It is my pleasure as WRFL Treasurer to present the financial reports for the year ended 31 October 2014, noting that once again our auditors have signed-off on the accounts without qualification.

The final trading result for the year under review was a modest (some might say, "wafer-thin") surplus of \$5,031, compared to a budgeted surplus of \$17,600. The actual surplus represents less than 1% of turnover totalling \$2.02 million. Following trading deficits totalling more than \$40,000 for the previous two financial years, the 2013-14 result represents a welcome, albeit marginal return to black ink.

Notable items in the 2013-14 result included improved performance of the properties division; a further increase to more than \$200,000 in sponsorship support; net finals revenue exceeding \$100,000 for the first time, and continued downward pressure on investment earnings in an environment of record low interest rates. While staff wages were contained within budget, total staff expenses were higher than expected due to a once-off accrual for long service entitlements and the costs associated with replacing staff on parental leave. The challenges confronted by clubs in meeting ever increasing costs and volunteer time demands are reflected in the increased level of club debtors at balance date. The Board will continue to work through payment plans with a number of clubs over the summer break to ensure all clubs are fielding teams next season.

Overall, the Board is satisfied with its budget monitoring and review processes and fiscal controls; and views the final result for 2013-14 as a more than satisfactory outcome. However, our ability to avoid future deficits will be dependent on significantly increased revenues, preferably from non-club sources.

Community football leagues across Victoria operate in a challenging and often changing commercial environment. They reflect the aspirations, attitudes and experiences of their member clubs – their sole purpose is

to provide competition administration and club development services to member clubs. With almost all of the club administration roles filled by hard working volunteers, there is little opportunity (or indeed ambition) for leagues to develop a capital base.

All leagues rely on club affiliation fees to balance their books after exploiting the available non-club revenues (sponsorship, property and finals). In our case, the Board has kept faith with member clubs on its commitment to drive down club affiliation fees. Over the past four years, club affiliation fees have been reduced by around 20% in real terms compared to 2010 charges. For that commitment to continue, new sources of revenue will need to be identified and secured. One prospect under consideration is to introduce a player registration fee, payable by players (not clubs) as part of the annual FootyWeb registration process. The Board will pursue this and other prospects for non-club revenue as a matter of some urgency.

The Board remains committed to good governance and responsible financial management as vital components of best practice service to member clubs.

STATEMENT BY EXECUTIVE BOARD MEMBERS

The Board has determined that the association is not a reporting entity and that this special purpose financial report has been prepared in accordance with the accounting policies outlined in Note 1 to the financial statements.

We, **Bruce Mildenhall** and **Dominic Drenen**, being members of the Board of the **Western Region Football League Incorporated** certify that, in the opinion of the Board the financial report (five pages, including notes attached):

 Presents a true and fair view of the financial performance and position of the Western Region Football League Incorporated during and at the end of the financial year of the association ended on 31 October 2014, in accordance with Note 1 to the financial statements. At the date of this statement, there are reasonable grounds to believe that the Western Region Football League will be able to pay its debts as and when they fall due.

This statement is made in accordance with a resolution of the board and is signed for on behalf of the board by:

Bruce Mildenhall Meeting Chairman

NOTES TO AND FORMING PART OF THE FINANCIAL STATEMENTS

FOR YEAR ENDED 31 OCTOBER 2014

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

These financial statements are a special purpose financial report prepared in order to satisfy the financial reporting requirements of the Associations Incorporation Reform Act 2012, for use by the members of the League and to fulfil the board's requirements to prepare financial statements.

The financial statements have been prepared in accordance with the requirements of the Associations Incorporation Reform Act 2012 and the following Accounting Standards:

AASB 101	Presentation of Financial Statements
AASB 107	Cash Flow Statements
AASB 108	Accounting Policies, Changes in Accounting Estimates and Errors
AASB 110	Events after the Reporting Period
AASB 113	Fair Value
AASB 116	Property, Plant and Equipment
AASB 117	Leases
AASB 118	Revenue
AASB 119	Employee Benefits
AASB 1031	Materiality

No other applicable Accounting Standards, Australian Accounting Interpretations or other authoritative pronouncements of the Australian Accounting Standards Board have been applied. The financial statements have been prepared on an accruals basis and are based on historic costs and do not take into account changing money values or, except where specifically stated, current valuations. The financial statements have been prepared on a going concern basis.

The following significant accounting policies have been adopted in the preparation of these financial statements and consistently applied to all periods covered.

PROPERTY, PLANT & EQUIPMENT

Items of property, plant and equipment are carried at cost or fair value less, where applicable, any accumulated depreciation and impairment loss. The items have been assessed for current replacement cost in 2014, and as a result there has been no change in the values of the individual items. Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the association and the cost of the item can be measured reliably. All other repairs and maintenance are charged to the income and expenditure statement during the financial period in which they are incurred.

Gains and losses on disposal of an item of property, plant & equipment are determined by comparing the proceeds from disposal with the carrying amount, and are recognised net within other income in the income and expenditure statement.

DEPRECIATION

Depreciation is calculated on the depreciable amount of all fixed assets over their useful lives commencing from the time the asset is held ready for use.

The depreciation methods and rates used for each class of assets are as follows:

Office Equipment – Diminishing value method 15% to 33.33%

Motor Vehicles - Diminishing value method 18.75%

Computer Equipment – Diminishing value method 40%

Leasehold Improvements – Straight line over 3 lease terms (9 years)

Furniture & Fittings – Diminishing value method 7.5% to 20%

Assets held for Club Use – Prime cost method 10%

Umpires' Training Equipment – Prime cost method 40%

Depreciation methods, useful lives and residual values are reviewed at each financial year end and adjusted if appropriate.

NOTES TO AND FORMING PART OF THE FINANCIAL STATEMENTS (CONTINUED)

FOR YEAR ENDED 31 OCTOBER 2014

INVENTORIES

Inventories are measured at the lower of cost and net realisable value. The cost is based on the first in, first out principle and includes expenditure incurred in acquiring the inventories and other costs associated with bringing them to their existing location and condition. Net realisable value is the estimated selling price in the ordinary course of business, less the estimated selling expenses.

LEASES

Operating leases do not transfer substantially all the risks and benefits incidental to ownership of an asset.

Payments made under an operating lease are recognised in the expenditure statement on a straight line basis over the term of the lease. The leased assets are not recognised in the balance sheet of the association.

EMPLOYEE ENTITLEMENTS

Provision is made for the association's liability for Employee Entitlements arising from services rendered by employees to balance date. Employee Entitlements that are expected to be settled within one year have been measured at the amounts expected to be paid when the liability is settled, plus related on-costs. Annual leave has been assessed in accordance with the provisions of AASB 119 however, no change in classification between current and non-current is considered necessary.

INCOME TAX

The League has been granted an income tax exemption by the Australian Taxation Office.

GOODS AND SERVICES TAX

Revenues, expenses and assets are recognised net of the amount of goods and services tax (GST), except where the amount of GST incurred is not recoverable from the Australian Taxation Office. In these circumstances, the GST is recognised as part of the cost of acquisition of the asset or as part of the expense. Receivables and payables are stated with amount of GST included. The net amount of GST recoverable or payable to the Australian Taxation Office is included as a current asset or liability in the balance sheet.

REVENUE RECOGNITION

Property Division Sales

Property Division Sales represent revenue earned from the sale of products to member clubs. Revenue is recorded when the goods are despatched.

Interest Income

Interest Income is recognised as it accrues.

Management Fees

Management Fees represent revenue earned from charges to member clubs used to fund the provision of services (including but not limited to umpires).

Asset Sales

The profit or loss on disposal of assets is included as revenue of the association. Such profit or loss on disposal of assets is brought to account at the date an unconditional contract of sale is signed.

3. OPERATING LEASES

The League had one operating lease during the financial year for the rental of the office.

OFFICE

There is a Memorandum of Understanding signed by the League as sub-leasee to Western Bulldogs Football Club. It and the draft lease received provide for terms of 3 years with seven 3 year options totalling 21 years, commencing May 2010. This MoU will remain in force until the formal lease is executed. Rental is reviewed annually in May and is subject to a CPI increase. In late 2013 the final lease draft was received (but has not yet been actioned due to a change in personnel at the Western Bulldogs Football Club). The lease draft provides for annual increases to be the lesser of 3% and CPI. For the purposes of this note, a CPI increase each year of 3% has been assumed.

INDEPENDENT AUDIT REPORT TO THE MEMBERS OF WESTERN REGION FOOTBALL LEAGUE INC.

We have audited the accompanying financial report, being a special purpose financial report, comprising the balance sheet as at 31 October 2014, the income and expenditure statement for the year then ended, the cash flow statement for the year then ended, a summary of significant accounting policies and other explanatory information of the Western Region Football League Inc and the Statement by Executive Board Members.

Board of Management responsibility for the financial report

The Board of Management is responsible for the preparation and fair presentation of the financial report in accordance with the applicable financial reporting framework, and for such internal control as it determines is necessary to enable the preparation of the financial report that is free from material misstatement, whether due to fraud or error. The board has determined that the accounting policies described in Note 1 to the financial statements, which form part of the financial report are appropriate to meet financial reporting requirements and the needs of the members.

The financial records kept by the Western Region Football League Inc are such as to enable financial statements to be prepared in accordance with Australian Accounting Standards and the Associations Incorporation Reform Act 2012.

Auditor's responsibility

My responsibility is to express an opinion on the financial report based on my audit. I have conducted my audit of the financial report in order to express an opinion on it to the members.

I disclaim any assumption of responsibility for any reliance on this report, or on the financial statements to which it relates, to any person other than the members, or for any purpose other than that for which it was prepared.

My audit has been conducted in accordance with Australian Auditing Standards. These standards require that I comply with relevant ethical requirements relating to audit engagements, and plan and perform the audit to obtain reasonable assurance about whether the financial report is free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial report. The procedures selected depend on the auditor's judgement, including the assessment of risks of material misstatement of the financial report, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to management's preparation and fair presentation of the financial report in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion of the effectiveness of management's internal control. An audit also includes evaluating the appropriateness of accounting policies

used and the reasonableness of accounting estimates made by the management, as well as evaluating the overall presentation of the financial report.

I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my audit opinion.

Electronic publication of the audited financial report

It is our understanding that the Western Region Football League Inc intends to electronically present the audited financial report and auditor's report on its internet website. Responsibility for the electronic presentation of the financial report on the Western Region Football League Inc website is that of those charged with governance of the Western Region Football League Inc. The security and controls over information on the website should be addressed by the Western Region Football League Inc to maintain the integrity of the data presented. The examination of the controls over the electronic presentation of audited financial report on the Western Region Football League Inc website is beyond the scope of the audit of the financial report.

Auditor's Opinion

In my opinion the financial report of the Western Region Football League Inc presents a true and fair view, in all material respects, of the financial position as at 31 October 2014 and its financial performance and cash flows for the year then ended on that date and complies with applicable Australian Accounting Standards.

Basis of accounting

Without modifying our opinion, we draw attention to Note 1 to the financial report, which describes the basis of accounting. The financial report has been prepared for the purpose of fulfilling Executive Board Member reporting responsibilities. As a result, the financial report may not be suitable for another purpose.

WRFL PARTNERS & SUPPLIERS

The importance of our partners and suppliers can never be understated when the income raised through this revenue source represents almost a third of the league's net annual revenue.

Importantly, income sourced via partners and suppliers reduces the upward pressure on club affiliation fees.

To ensure this income stream is not only maintained but significantly increased, it is crucial that clubs support the following partners and suppliers who we thank for their loyal support during 2014.
