Senior Final Series – Issue 1, September 1st & 2nd, 2018

By **MATTHEW DUCK**

Week 1 of finals is an exciting time, but it's usually met with one recurring question: why are we playing here?!

There are a number of considerations that go into where finals are hosted, but primarily, it comes down to five things:

1. Finding the best grounds we can;
2. A council willingness to allocate the venue;
3. A club willingness to manage the venue;
4. Whether it has sufficient fencing, toilets, other required amenities;
5. In instances of a turf-wicket, often it's also whether the local cricket club is willing to play away in the early rounds.

In regard to the third point, I thank Werribee Cricket Club, which paved the way for the WRFL to play its three senior division Grand Finals and the senior women's Grand Final at Werribee.

There have been some suggestions on alternative ways of managing finals venues. One is to find the 'best' venue, work with council to book it in and then have a club or another community group manage the facility, in effecting bumping-in food and beverage stock and bumping-out again at the end of the day. That's an approach that has worked at times in the past and certainly one that was explored this year, although it's a big job and there was a lesser interest this year than in past years.

Another suggestion has been around playing a 'super venue', whereby a two-ground facility hosts two matches at a time spanning different divisions. This would be a more unorthodox approach, but perhaps one worth looking at, notwithstanding the sizable job that it would be for the host club. This year double-ground venues were very hard to come by after the weekend of September 1 and 2.

A unique variable typically comes with the hiring of VFL grounds in that sometimes the venue is only available if the home club is still competing in its season. Once they're finished, the ground begins its end-of-year maintenance works. That's an understandable position from council, but just means the league needs to have a contingency in some instances in case a ground unexpectedly falls through.

The WRFL does what it can to avoid a home-ground advantage in senior finals, and this too plays a small part in determining venues. Sometimes it's simply not possible, but it's another element thrown into the mix. Ground condition also plays a part, although in some instances where the ground isn't in perfect condition, the venue is simply still the best (or perhaps only) viable option.

I thank the respective councils for providing this year's finals venues, as well as the host clubs who take on the enormous job of running the venues. Regardless of where you find yourself playing today, be proud of making it to the 2018 WRFL Finals Series. I wish all teams involved in week 1 of Finals the best of luck.

DIVISION 1 SENIORS

VIKINGS CLINCH TOP SPOT IN RAMS DIVISION 1

By CONNOR PAIN

Altona clinched top spot on the RAMS Division 1 ladder and have earned a bye in the first weekend of finals after defeating finals contender Hoppers Crossing by 36-points at JK Grant Reserve.

The Vikings jumped out of the blocks early and raced to a 16-point lead after the first quarter, but the Warriors hit back in the second term, booting four goals to one to tie the score going into the main break.

That was as good as it got for Hoppers who didn't kick a major in the second half and were goalless in three of the four quarters. They were outclassed by Altona who showed why they finished the regular season top of the table.

Patrick Rose booted four goals in the 36-point victory, bringing his tally to 79 for the season as Altona enter finals riding an eight-game win streak.

The loss leaves the Warriors in third and will see them face rivals Deer Park in a qualifying final, in what shapes as an exciting match-up.

Spotswood produced a huge final quarter performance to down Werribee Districts by four points, setting up a clash between the two sides in an Elimination Final on Sunday.

The game was a seesawing battle. The Woodsman led at the first two breaks but conceded seven goals in the third,

the Districts taking a 15-point lead into the final term.

Three goals to zero from Spotswood in the fourth got them over the line 13.8. (86) to 12.10. (82), seeing the Woodsman finish the season in fourth place, percentage above their Elimination Final opponents.

Jase Perkins booted 10 goals in Deer Park's 35.15. (225) to 6.8. (44) rout of Wyndhamvale with half of the Lions players kicking at least one goal.

James Condos kicked six while Chris Stewart added five of his own as the Falcons had no answers in the 181-point drubbing and finish as wooden spooners.

St Albans came from behind in the last quarter to down Albion 13.14. (92) to 12.18. (90).

The Saints needed 25 points in the final term to overcome Albion in the tight affair, the loser being condemned to second last on the ladder.

Matthew Hutchesson starred for Sunshine in its 28-point win against Caroline Springs, helping the Kangaroos to a sixth place finish on nine wins.

The 13.15. (93) to 9.11. (65) win sees Sunshine finish firmly in the middle of the table; three wins behind the last finals spot and five wins from the bottom four.

EAGLES FINISH ON TOP, MAGPIES FLY

By RHYS WOOSNAM

Yarraville will head into the 2018 finals series with a near perfect record after notching their 17th victory for the year on the weekend.

The Eagles bested their closest rivals Point Cook by 66-points in a dominant performance that leaves them as possibly the unbackable favourites for the premiership. It was the culmination of a tremendous season for Yarraville, who's only imperfection was a draw, finishing three games clear at the top of the table.

The game seemed destined for a tight encounter with Point Cook holding a two point lead at quarter time until their opponents switched into gear, booting 14 goals to just four thereafter. It was a team-oriented display, as the Eagles found 10 separate goalkickers throughout the day, showing off their attacking nous.

The match of the round also had the biggest consequences hanging on the outcome, as Manor Lakes and Parkside battled to decide the final spot in the top four. With both teams on equal wins and minimal percentage separating them, victory was the only answer. It was a close contest all day, with the margin at each break barely reaching three or four goals. At the final turn, Parkside held the ascendancy by 14 points, before ultimately hanging on for a famous and vital win. Parkside now face an uphill battle to ultimate glory, but for Manor Lakes it is season over.

It is said that how you finish a season can have significant impact on how you start the next one, and for Albanvale they will be hoping this rings true. The struggling side may have 'won' the wooden spoon but they managed to instill some hope in their supporters minds for 2019 with a shock 23 point win over the Newport Power.

Albanvale had only claimed a single scalp for the year until Round 18, however they produced their best performance for the season against

Newport. Controlling the game completely after quarter time, the Cobras showed signs of what could come from a much improved squad next year. Wrapping up the regular season, North Footscray won the battle of the suburb of their western equivalents, besting them by 34 points.

The first week of the finals for 2018 will see a rematch of the Yarraville-Seddon and Point Cook match, with the Bulldogs hoping to turn things around. The other contest matches Parkside up against North Footscray in a do or die encounter.

SHARKS SECURE MINOR PREMIERSHIP

By NICK BOYLAN

The last round of the Division 3 season saw the finals matchups set, as clear skies provided a stark contrast to the previous weekend's action, and set the scene for numerous high-scoring affairs.

Point Cook Centrals were able to clinch the minor premiership with an impressive 35-point win over a gallant Sunshine Heights. Both defences held up well under opening salvos, with Sunshine Heights' tackling pressure not allowing the Sharks running power to take over.

After quarter time however, the Sharks were able to show how damaging they can be, with their speed and movement too much for the Dragons to contain. Riley Colbert started the game slowly, but worked into the contest, with his damaging run and carry off half-back instrumental in a Point Cook win, as they ran away from Sunshine Heights in the latter stages of the game.

Sunshine Heights will be happy with their second half of the year, looking to springboard into more success for next year.

Tarneit tuned up for their finals action, with a ruthless 73-point win over Braybrook. If not for inaccuracy, the Titans could have had an even larger win, kicking 13 goals to 19 behinds. Aaron Molivas and Richard Psaila starred for Tarneit, while Daniel O'Mara and Luke Fox impressed in Braybrook's defeat.

Braybrook forward Paul Cutajar-Milosev also finished the home-and-away season on 67 goals leading the Division 3 goal kicking tally in a masterful season up forward.

Laverton were able to end their season on a high with a dominant 107-point win over Glen Orden, with a balanced scoring effort the highlight of the Magpies impressive performance. Wayne Donaldson and Jack Burgess battled hard for the Hawks all day, as Glen Orden will look forward to a finals tilt in 2019.

The Wyndham Suns bounced back with a much needed win, dominating North Sunshine by 140-points. Matthew Kozole and Josh Stephens starred with six goals each, while veteran Hung Phan battled hard for the Roadrunners all day.

The Suns will be happy to get some form back on the eve of finals, as they look to recapture the form that saw them start the season 12-0. North Sunshine will look to rebound from a disappointing 2018, and hit the ground running for next season.

The finals for week one are now set, with Point Cook Central set to take on Tarneit to book a place in the Division 3 Grand Final, while the Wyndham Suns will take on Braybrook in an Elimination Final.

UMPIRES READY FOR SENIOR FINALS

By GRAEME HODGART

This article was going to begin with the sentence: 'Now that the junior finals are over, it's time to get down to serious business with senior finals.' Somehow such an opening does a big disservice to all the juniors, officials, spectators and umpires who were part of such a wonderful 2018 junior finals series.

It was such a pity that the elements created a little distraction from the football as spectators tried to find some cover from the damaging winds and occasional wet weather. Hopefully all the senior finals can be played in better conditions.

With the junior finals over, there are many umpires who know that their season is finished for 2018. Some will turn their hand to supporting their mates who are still running by attending training and going to particular finals' matches. Others will become couch potatoes and watch the AFL matches as Richmond begin their chase for back-to-back premierships. Others will take the opportunity to begin their off-season a bit earlier.

The umpires that are appointed to a game in the first week of the Senior Finals will know that they have a chance to get another game next weekend and, hopefully, run in a Grand Final in a few weeks time. Some will sense that they are guaranteed of a Grand Final while others will have the gut-wrenching feeling that they are simply making up the numbers in the qualifying, elimination and semi finals.

Then there will a group of unsure umpires who are hoping that they could have a chance of progressing further. Of course, as each week of the finals comes and goes, less and less umpires, field, boundary and goal, are required.

At this stage of the season, most umpires should be at their absolute best. They should be peaking with their levels of fitness, their match day performances, and their understanding and knowledge of the rules and the basic principles of umpiring. Most have had six or seven months of physical training out on the track. Plus there have been on-going meetings to discuss interpretation of rules and positioning, and written and oral feedback provided by coaches, observers and peers. Of course, there have been some umpires who have had an interrupted season due to injury, illness, travel, family or work commitments. They still hope to be in the mix.

May all players, officials and umpires be able to face the various challenges that the forthcoming Senior Finals, and maybe the weather, may come up with. The hard work undertaken throughout the season, both on and off the training track, should enable most to be able to tackle the tasks that loom ahead with confidence and a positive attitude.

QUIZ

In a WRFL senior final, the goal umpires confirm, at the end of the game, that it is a draw. What happens next?

- (a) The two teams come back next week for the replay.
- (b) The team finishing higher on the ladder progresses to the next final.
- (c) Two halves of five minutes extra time is played.

The correct answer is (c).

MAGPIES PROGRESS AFTER CLOSE FINAL

By JESS MACKEY

Laverton have escaped with the win against West Footscray, defeating the Roosters by just four points to progress into a semi-final against Spotswood who fell short to Caroline Springs on Sunday.

Caroline Springs' win will now see them go head-to-head with Manor Lakes, who finished the season in top spot and earned the right to have the first weekend of finals off.

Inaccuracy hurt both teams in the Elimination Final, but the Magpies had more opportunities in-front of goal, which meant they did enough to win the match and progress through to Week 2 of Finals.

After kicking one goal each in the first, the scores were level, but it was a somewhat one-sided game after that.

The second quarter saw Laverton with five scoring opportunities, but were unable to convert kicking five minor scores, while the Roosters struggled to win the ball out of the middle and convert at all.

From here, both teams were winning the ball, but unable to get the ball through the big sticks leaving the Magpies up by four points at the final siren.

Jadene Kirk scored their one and only goal for the day, while Sophie Merryfull kicked the Roosters' only goal.

In the Qualifying Final, Caroline Springs defeated Spotswood by 23 points, and will play off against Manor Lakes next week for a spot in the Victoria University Polytechnic Senior Women's Grand Final.

The Lakers got off to a flying start, kicking five goals in the first quarter, while Spotswood had just one which put them on the back foot.

The rest of the game was a much more even contest, as Caroline Springs kicked just one

goal in the second half while Spotswood kept fighting, but it wasn't enough to get the job done.

Caitlin Pretty and Carissa Whiley kicked two each for the Lakers, and Lauren Dundon kicked two goals for Spotswood.

Spotswood are still in the running, they have a second chance, and will go into their match against Laverton as the favourites.

WARRIORS UPSET VIKINGS IN FINAL ROUND

HOPPERS Crossing upset ladder-leaders, Altona, in the final round of the TIV Under 19 competition.

The Warriors, fresh from having the bye the previous week, defeated the Vikings by 15-points at JK Grant Reserve.

Altona led at quarter time, but it was all Hoppers Crossing thereafter, they kicked eight goals to five in the remaining three quarters to win the match.

The final score was 9.8. (62) to 7.5. (47). Ezzat Haddara kicked three goals in the win, while Radwan Haddara also kicked two goals. Kyle Bistisi was best on ground.

They also have the strongest defence, having only given away 478 points across all their home and away matches.

For the Warriors, the win will be a great confidence booster heading into their qualifying final against Caroline Springs.

The last time the two sides met was back in Round 16, with the Lakers winning that match by 10-points.

Werribee Districts will go head-to-head with Point Cook for the second consecutive week. They two teams played off in Round 18 and will play-off in the Elimination Final on Sunday.

The Tigers won by 141-points in the final round. They kept their opponents scoreless in the first quarter. They also piled on six goals.

Werribee's final quarter was the most damaging, having kicked eight goals to zero.

The Tigers had 11 different goal kickers, Darcy Phillips, Ryan Potter and Connor McIntosh all kicked three goals in the win. Patrick Farley was Point Cook's only goal kicker. Both Werribee Districts and Point Cook will play-off in Sunday's final at Avalon Airport Oval in Werribee.
