By MATTHEW DUCK

Failing to plan is planning to fail. It's an old adage but it still rings true. As we draw closer to the end of another season, it's an important period for league and clubs alike to review the season and look at what we did well and what we need to get better at.

From a league perspective, a number of elements are set to be considered by the Board, including the junior age structure moving forward and divisional player points and salary caps. These and other considerations will be finalised over the next fortnight.

The weeks immediately proceeding the end-of-season also provide an opportunity to consider other initiatives in anticipation for the season ahead, including further expansion of the WRFL's training and development space. The WRFL made a marked effort to increase its training opportunities in 2018, with six development sessions aimed at those running and/or looking to introduce female football. In addition, the inaugural Victoria University WRFL/EDFL Volunteer's Conference was an event focused on club planning, financial management, risk management and compliance, volunteers, development and community. The Conference received positive feedback and we'll look to do it again.

But those additional training opportunities introduced in 2018 are still just scratching the surface. Strategic planning workshops, a session(s) focused on the new Child Safety Standards, and further financial management support are just some of the topics slated for voluntary sessions over the back-end of this year and/or prior to next season.

With the development of the WRFL's new website comes further opportunity to utilise the website as a hub of information for club administrators. My experience as a club administrator was that at times you could drown in emails. The ongoing development of 'Club hub', a portal on the website where key information, survey links and/or results, opportunities for clubs etc are universally shared stands to simplify the process for administrators in keeping up to date with key happenings and requirements. Online support/education tools will also become more prevalent moving forward, meaning people can access support when and where it suits them.

Focusing on key appointments, recruiting, budgeting, junior development, strategic planning etc., are just some of a host of activities clubs are about to embark upon, if not already. Not surprisingly, volunteers, or a distinct lack of, is a major threat to our clubs, and are closely related to player retention and financial stability. Easing the burden on volunteers remains a key objective, as is how we attract, recognise and retain these individuals who underpin our clubs. If you're reading this as a club supporter, spectator, parent, friend or other, and you've thought about helping out before but never have, I urge you to seek out your club president and offer to take on a job. Never has it been more important for our clubs and in turn our communities.

I wish all clubs competing this weekend the best of luck – see you at the footy.

JUNIOR BEST & FAIREST AWARDS

WRFL JUNIORS RECOGNISED

More than 550 people came together last week as the WRFL celebrated its juniors stars at its annual Best and Fairest night.

Held at the Encore Events Centre in Hoppers Crossing, the event was a chance for administrators, coaches, players and family members to reflect on the 2018 season as well as recognise the best of the west.

The first award of the night was the North Melbourne Belonging Award. This was presented to the Flemington Juniors Football Club.

The Junior Club Official of the Year was given to Altona Juniors president Vito Rubino.

Vito has been involved with the Vikings for the past 10 years. He is described as a mentor, leader, friend and the epitome of the word 'volunteer'.

This year the WRFL also re-introduced the Junior Club of the Year Award. This was presented to the Werribee Districts Football Club.

The 2018 Junior Coach of the Year Award was presented to Jarrod Pye from Altona Juniors and the Youth Coach of the Year was Under 18 premiership winning co-coach from Spotswood, Ian Allan.

The Western Bulldogs Under 11 Division 3 Best and Fairest winner was Darcy Cummins from Newport Power. Cummins was also part of the Power's premiership team on Sunday.

Khaled El Souki from Spotswood was the Western Bulldogs Under 11 Division 2 Best and Fairest winner with 24 votes.

Altona Juniors rising star Lachlan Hicks won the Western Bulldogs Under 11 Division 1 Best and Fairest.

Manor Lakes junior Karl Hisni took home the Western Bulldogs Under 12 Division 3 award.

Issah Kailie, who won the Under 11 Division 3 Best and Fairest last season, had another standout year. This season he won the Western Bulldogs Under 12 Division 2 award with Deer Park.

Williamstown Juniors young gun Edan Ibbetson won the Western Bulldogs Under 12 Division 1 medal on 23 votes. He was 12 votes clear of the runner-up.

Williamstown Juniors premiership player Ellie McMahon was rewarded for her impressive season, having won the Under 12 Girls Best and Fairest.

LIONS SET-UP SHOWDOWN WITH VIKINGS

By CONNOR PAIN

For two quarters, it looked like the result between Deer Park and Hoppers Crossing could go either way. Both sides held the lead at various points and constant rain made goals a premium.

A second half stomping ended the Warriors chances as the Lions kicked nine goals to two after the main break on the way to a 48-point win, meaning they'll now face Altona for a spot in the RAMS Division 1 Grand Final.

Constant rain hindered the first half as neither side could play the game on their terms and at times had to resort to pumping the ball long and hoping for the best.

Hoppers Crossing looked good early and could have upset the Lions had the rain continued but the class of the reigning premier shone once it dissipated.

Jason Williams and Chris Stewart starred for Deer Park, booting nine of the club's 13 majors as they showed clean hands and accurate kicking in trying conditions.

The win will see the top two sides from the regular season face off in what could be the game of the season so far, weather permitting.

The Warriors have a week to regroup and will face Spotswood in Semi-Final 1 after they knocked off Werribee Districts by 23-points on the back of a seven-goal final term.

In the win or go home final, both teams brought the intensity and desire needed to keep their season alive.

The Woodsmen led at each break but the Districts were always within in striking distance, until the last quarter that saw Spotswood break the game open and book their place in the second week of the finals.

The victors had an even spread of goal scorers with six players registering multiple goals, Jordan Boyd leading with three.

Murray Boyd continued his good form and was in the best in the 16.8. (104) to 11.15. (81) win.

Top of the ladder after seven rounds, the loss ends Werribee's season rather prematurely given their strong start.

It is the second consecutive loss in an elimination final and fifth place finish for the Districts who will need to go back to the drawing board if they are to advance in the finals in 2019.

Shannon Byrnes was one of the key players for Deer Park in their win over Hoppers Crossing.

EAGLES INTO DECIDER, MAGPIES FIND A WAY

By RHYS WOOSNAM

With the first week of finals done and dusted, just three teams remain in the fight for premiership glory after North Footscray bowed out in an Elimination Final loss to Parkside. The Devils were neck and neck with Parkside all day, but simply couldn't kick those vital goals when required, eventually falling by 13-points.

Inaccuracy plagued North Footscray throughout the contest, finishing with seven goals and 13 behinds, two more scoring shots than their opposition. For the victors, they were led by tremendous performances from Luke Buttigieg, Izak Damas, as well as two majors each from Benjamin Ashman, Keelan Privitera, Jesse Fortune and Brent Kelly.

The multi-pronged attack was a major key to Parkside's victory and should hold them in good stead as they look forward to a Preliminary Final showdown with Point Cook.

The Bulldogs face the potential of stumbling at the last hurdle thanks to their 28 point defeat at the hands of rivals Yarraville-Seddon. In a back and forth encounter, both teams held leads at quarter time breaks, with the Bulldogs in particular starting off hot taking a three goal to zero advantage into the second quarter.

The Eagles were able to recover brilliantly, kicking five goals to one in the second stanza, before displaying excellent defensive abilities to restrict their opposition to just two goals in the second half.

Much like North Footscray, the Bulldogs will rue their missed opportunities, with a similarly inaccurate showing of six goals and 10 behinds.

Yarraville-Seddon now have the luxury of a week off to keep themselves fresh for a Grand Final contest against the winner of the Point Cook/Parkside Elimination game, and have put themselves in the box seat to be holding the cup on September 16.

The Yarraville Seddon Eagles defeated Point Cook last week to progress through to the Division 2 Grand Final.

DIVISION 3 SENIORS

SHARKS BOOK GRAND FINAL SPOT

By NICK BOYLAN

The first week of Division 3 finals action saw two fantastic clashes, with teams braving the harsh conditions to put on a show befitting of September footy.

At Braybrook, Point Cook Centrals showed their class with a hard-fought 17-point win over Tarneit, with the game having several momentum swings before the Sharks pulled away late.

In the early stages, the game was much more contested, with both teams going goal-for-goal in the threatening conditions. Luke Cook and Adam Miriklis were working hard, and were able to give the Titans a five point quarter time lead.

Sharks coach Darren Findlay wasn't happy with his team's lack of pressure, encouraging his players to tackle with aggression and to stop overusing the ball. Letting them know "the cute options aren't going to work today, and to play through the middle", the Sharks came out of the huddle with a much more direct approach in the second term.

Tyler Huynh's forward pressure lifted and was able to create numerous opportunities for the Sharks forwards, however Point Cook's delivery inside 50 was poor. Tarneit were able to keep things much simpler and feed the ball to Chris Benson, who's after-siren banana goal gave the Titans a handy 14-point lead going into the half.

As the rain and wind came down in showers, the game slowed down to Tarneit's liking, able to control the tempo and take advantage of their size advantage inside 50. Things changed quickly, as a goal for Michael Szulc started an end-of-quarter flurry for the Sharks, as the rain halted. Three goals in barely a few minutes left Point Cook with all the momentum going into the third term, leading by 10-points.

This momentum continued as Brent Sheehan dominated in the middle for Point Cook, with Szuluc and Henderson did the damage up forward. Tarneit kept fighting but were ultimately overrun by the Sharks' outside game.

In North Sunshine, the Wyndham Suns proved to be too strong for Braybrook, kicking away in a heated clash by 58-points.

The Suns came out of the blocks showcasing their earlier season form, with Steve Neralic looking

imposing, leading their attack that had Braybrook trailing by 16-points at the first change.

In the second term, Braybrook came out with much more intent, working back into the contest after Beau Green kicked three goals in a flurry to give the Brookers the momentum.

Braybrook let the Suns back into the game, as they kicked three goals, including a Rhys Kirk shot after the siren, to now trail the Suns by 14-points at half time.

Unfortunately for Braybrook, they lost all momentum after the break, as Neralic and Kirk begun to dominate the air. Paul Cutajar-Milosev continued to present for Braybrook as he's done all year, but Wyndham were too strong, ending Braybrook's season.

Next week, Tarneit take on the Wyndham Suns for a place in the Division 3 Grand Final against Point Cook Centrals, in what promises to be a battle of the key forwards. Braybrook will be happy with their progress from 7th in 2017 to a finals appearance this year, but will again look to close the gap in 2019.

LAKERS AND SPOTSWOOD TO MEET AGAIN

By JESS MACKEY

Caroline Springs and Spotswood will face off in a Preliminary Final next Saturday, as they aim to keep their season alive in the Victoria University Polytechnic Senior Women's competition.

Spotswood had an impressive win against Laverton at Burbank Oval, while Manor Lakes got the job done convincingly against Caroline Springs and earned themselves a place in the Grand Final.

The Storm were strong from the first bounce, with some really strong defensive pressure not allowing the Lakers to score a goal the whole match, as they kicked nine of their own.

Madisson Ahumada and Gemma Anderson kicked three goals each for Manor Lakes, as Kellee McIntosh, Yana Frontczak and Mizz Barkes each scored one.

The Lakers struggled to contest and match it with the experienced Storm team, scoring just seven behinds for the match.

Manor Lakes continued to pile on the scores and cause damage as the ball very rarely wasn't

in their possession, keeping the game on their terms to get themselves into the big dance.

But it's not over yet for Caroline Springs, with the second chance giving them one last shot at a Grand Final berth.

Spotswood have managed to get over the top of Laverton on Sunday, in what was a tightly contested game from the start, however Spotswood were just too good and had a number of good plays resulting in goals where the Magpies just couldn't compete.

At the first break, it was one goal apiece, but in the second and final quarters, Spotswood were able to make the most of their opportunities and really make it difficult for Laverton to compete.

The Magpies didn't score a goal for the rest of the game, and Spotswood took their chance to keep their finals hopes alive with five individual goal-kickers.

They will take on Caroline Springs at VU Whitten Oval on Saturday.

ALWAYS BE PREPARED

The motto of the Boy Scouts is 'be prepared'. The saying has been used by millions of scouts throughout the world. Robert Baden-Powell (1857-1941), the founder of The Boy Scouts Association, explained its meaning. 'Be prepared' meant that one needed to be prepared in mind by being disciplined to be obedient to every order and by having thought out beforehand so that you know the correct thing to do at the right moment and are willing to do it. 'Be prepared' also meant that one needed to be prepared in body by being strong and active and have the ability to do the correct thing at the right moment and go ahead and do it.

As we trudge and tumble through life, we all have learned by experience that it is a very good idea to be prepared. Just look around the final's venue that you are in at present. Notice the preparation that has gone into this day. Remember that there are massive amounts of preparation that has occurred that will not be obvious to the naked eye.

Speaking from an umpire's prospective; it is hard to list all the preparation that has happened to get the many umpires, who are involved in finals this weekend, to this day. Beginning sometime in the off season, there has been the never ending training sessions, the constant travelling, the on-going washing of gear and packing of bags, numerous meetings and discussions about rules, expectations and interpretations, social functions, written and verbal feedback, just to mention a few. Players and club officials can also make their own lengthy lists.

Recently, one of the young goalies, aged 20, who was undertaking umpiring accreditation for Level 2, was given the task of conducting a training session for the 20 to 30 goal umpires who regularly train at Hanmer Reserve in Seddon. Everything was going

very smoothly. The two warm up laps and the mandatory exercises had gone without a hitch and now the goalie was explaining the skill activities for the three rotating groups.

The explanations were clear and precise and easily understood by the listeners. All the equipment had been put out before the whole training session had begun. Be prepared.

It was only when the young goalie was explaining the third activity that he realised that he had forgotten to put out the volleyball. At the same moment, the coach of the goalies, who was happy not to be in charge for once, realised that he had forgotten to pack the volleyball in the practice kit. As the young goalie trotted over to the kit bag to fetch the non-existent volleyball, the coach wondered what the reaction would be. Anger? Shock? Maybe the whole session would simply fall apart. Before the coach had time to mumble an apology, the young goalie, after finding the volleyball wasn't there, simply grabbed some other equipment and explained the new third activity. It is great to be prepared, but it's also a good idea to have a Plan B, just in case.

QUIZ

IA player in the WRFL is legally tackled and, off balance, the kick slews off the side of the boot and the ball lands on the outside portion of the boundary line and goes out of play. What happens next?

- (a) The boundary umpire throws the ball back into play.
- (b) The player is penalised for deliberately kicking the ball out of bounds.
- (c) The player is penalised for kicking the ball out of bounds on the full.

The correct answer is (a). See Law 17.2.

WARRIORS, TIGERS WIN IN WEEK 1

Hoppers Crossing has set-up a showdown with Altona in the Under-19 TIV Competition, after defeating Caroline Springs in the Qualifying Final on Saturday.

The Warriors got off to a fast start, opening up a 22-point lead at quarter time.

The Lakers fought back in the second term, closing the gap to just two-points at the main break.

It was a hotly contested game in the third term. Four points separated the two sides at three quarter time, with the game there to be won.

Both sides kicked two goals each in the final term, but it was the Warriors who kicked more behinds, which ultimately was the difference, winning by seven points.

Radwan Haddara kicked four goals in the win for Hoppers Crossing. Brandan Neville was also important.

Youngster Cody Raak also kicked four goals for Caroline Springs.

The Warriors will now go head-to-head with Altona, who earned the week off. The Vikings finished the

home and away season in first place, having won 13 of their 15 games.

The win of this clash will book their spot in the 2018 TIV Under 19 Grand Final, which will be played at Avalon Airport Oval on September 22.

The Lakers still have another chance to progress through finals, they will take on Werribee Districts, who ended Point Cook's season on Sunday.

It was a comprehensive victory for the Tigers, who won 28.23. (191) to Point Cook 2.1. (13).

Werribee Districts had 11 different goal kickers, with Mathiang Kak bagging eight goals in a best on ground display.

The first half saw the Tigers kick 14 goals, while keeping the Bulldogs scoreless.

The last time Caroline Springs and Werribee Districts played, it was the Lakers who won by 23-points at Town Centre Oval.

The two sides will meet at Avalon Airport Oval on Sunday morning.
