## Senior Final Series – Issue 4, September 22nd, 2018

### By MATTHEW DUCK

After 2402 matches, the WRFL season all comes down to this!

In the TIV Under 19's Grand Final, Altona meets Hoppers Crossing in a fitting match-up given the teams finished the home and away season in first and second place respectively. The two sides have met four times this season, with Hoppers Crossing leading the ledger 3-1, including a comfortable win two weekends ago. Whilst the Under 19's only featured a handful of teams this year, the talent at the top-end has remained first-class, and this promises to be a Grand Final worth arriving early for.

In the RAMS Division 1 Reserves, Caroline Springs meets Altona, again the two benchmark teams across the home and away season. Having met three times this year, the final margin between the two teams has never exceeded 5 points, with today's game promising to provide more of the same. Caroline Springs will have enjoyed the week off and will bring with them strong support as always, whilst Altona secured their place in today's Grand Final with a 1-point win in a tough encounter with Deer Park last week. Only time will tell as to which is the better preparation for today's game.

In the RAMS Division 1 Grand Final, we're in for a great contest. This season only two wins separated first and fifth positions at the end of the home and away season, testament to just how closely matched the top five were this year. It made for a compelling home and away season, and an even more compelling RAMS Division 1 Finals Series.

For some, it might have appeared that Deer Park had come back to the pack this year. The club dropped four games during the home and season, its biggest number of losses in any one year since 2012, and indeed this was the first year since 2012 that the club didn't claim the minor premiership. But two dominant finals performances have served as an emphatic reminder that the finals-hardened Lions remain the ones to beat.

In contrast Hoppers Crossing have gritted their way through two tough finals, including back-to-back 3 point wins over Spotswood and last week Altona, in what was a dour struggle in tough conditions at Burbank Oval. The Warriors knocked over the Lions earlier in the year by 10 points on Deer Park's home deck, and will be looking to do the same again today to deliver the club's first senior flag since 2004. Whilst they face a formidable opponent, they should draw confidence from Sunshine's efforts on this day last year, where similarly the club went in as underdogs and very nearly took the chocolates.

Today's culmination to the 2018 season at arguably the western suburbs' premier football venue is set to capture the attention of the entire western suburbs football community. To that end I thank Werribee Football Club for hosting a significant portion of our finals series this year, including all three Grand Final days. It will come as no surprise to anyone that the Club has been a joy to work with and we look forward to our close partnership continuing long into the future.

I wish the best of luck to all teams competing today, and look forward to seeing you at the footy.

## WARRIORS WIN, SET FOR LIONS SHOWDOWN

By CONNOR PAIN

**In pouring rain and what seemed like gale force winds, a spot in the RAMS Division 1 Grand Final was up for grabs. Despite finishing the regular season in first place, Altona were knocked out of the finals series, by a determined Hoppers Crossing team.**

A goal late in the fourth quarter saw the Warriors overcome terrible weather to knock off the Vikings by three points and book their rematch with Deer Park, the two sides playing in the Premiership decider for the second time in three years.

Both sides kicked just three goals each as neither could manage the howling winds that turned the game into a battle for field position, mainly played out in front of the Williamstown stand wing.

Hoppers Crossing were on top for most of the day, but couldn't convert their strong play into a lead, recording nine behinds in the second quarter alone.

But it matters little as the Warriors kept fighting and scratching, not stopping until the late major that caused the upset of the finals series.

The 3.12. (30) to 3.9. (27) win will certainly not be remembered for the style it was played in, but it could be the confidence building win that spurs Hoppers Crossing into producing another upset in the Grand Final.

The loss ends Altona's season prematurely, given they finished the season on top of the ladder. While they were outplayed, it would be hard to find fault with the Vikings from Saturday's performance given how bad the conditions were and turned the match into a scrap.

**Jackson Viola celebrates a goal in the RAMS Division 1 Preliminary Final.**

**Picture: CODY BENCH PHOTOGRAPHY**

Deer Park will enter the final as favourites on the back of their own form and the result of the last matchup between the two sides. The Lions were too good for the Warriors in their Qualifying Final, but if the weather is a factor as it was in the Preliminary Final, anything can happen.

As it currently stands, the forecast predicts rain and if that holds true, Hoppers Crossing will give themselves every chance to knock off the five-time reigning premiers.

The Lions showed their class in its two finals wins this season and if they can continue their great form they should create history and win their sixth flag in a row.

## VIKINGS INTO TIV UNDER 19 GRAND FINAL

By JAMES ORUBA

**The Preliminary Final of the Western Region Football League TIV Under 19 competition saw Altona meet Caroline Springs, with a date in the Grand Final against Hoppers Crossing on offer for the victorious side.**

Despite Altona entering the match as heavy favourites, they had come off a shock loss against Hoppers Crossing in last week's Semi-Final, while Caroline Springs entered the match with high confidence levels after last week's gritty victory over Werribee Districts.

With this being the case, there was every chance that the Lakers could produce a stunning upset victory over the Vikings and subsequently book their spot in the big dance.

And for the opening three quarters of the encounter, it looked as if this was set to eventuate.

Right from the first bounce, both sides kept pace with one another, in what was a gritty, tough, low-scoring first half.

As the siren sounded on the second quarter, the Lakers entered the main break with a 2-point lead, 2.4.(16) to 2.2. (14).

Not a solitary spectator at Burbank Oval could predict the dizzying highs and lows that were set to take place in the second half.

Led by the brilliant work of Jy Lambley and Brian Gill, the Lakers produced a dynamic third term in which they kicked three goals to Altona's two behinds, and entered three-quarter time with a 19-point lead.

It seemingly looked as if the Lakers had secured a berth in Saturday's Grand Final.

But like a boxer rising off the canvas, the Vikings produced a stunning last-quarter display that showed serious character.

Zachary Santullo, Bailey Johnson, Michael Rubino and Jack Callaway were all key factors as the Vikings kicked six goals two behinds, while keeping the Lakers to no score in a dominant final quarter.

As the final siren sounded, Altona were victorious by 19 points.

Caroline Springs will lick their wounds, and lament on what could have been, while Altona will meet Hoppers Crossing in next week's Grand Final at Avalon Airport Oval.

## HISTORY IN THE MAKING

By GRAEME HODGART

History is in the making no matter who wins the grand finals today. The names of the participating teams and the scores will be entered into the WRFL history records for people to see for many years to come. The umpires who are officiating, out in the field, running the boundary lines or waving the flags from the goal squares, will also have their names recorded in the list of Grand Final Umpires.

Modern times have certainly changed things a little.

Today, there will be three field umpires, four boundary umpires and two goal umpires in the Division 1 Senior Grand Final. That's a total of nine on the field plus an emergency field umpire on the bench bringing the number up to 10!

Back in 1935, in the then Footscray District Football League, there were only five umpires in the A Grade Grand Final when West Footscray 12.12. (74) defeated Spotswood 10.8. (68). Robert Jones was the field umpire who also went on to do the next two A Grade Grand Finals making it three in a row.

There were only two boundary umpires in Walters and Keane and two goal umpires in Robins and Dickinson. These latter four were actually club umpires who, under a voting system conducted throughout the season, gained the most votes and were rewarded with the senior Grand Final.

Many years have passed since 1935, but thankfully the fundamentals of our great game are basically the same. The rules have seen some changes and many clubs with long forgotten names have come and gone.

During the 1930s, other than West Footscray and Spotswood, the FDFL also boasted some familiar teams in Seddon and Kingsville (now

combined to form Yarraville Seddon Eagles), Braybrook, Altona, Parkside, ICI Deer Park and North Footscray Imperials.

Congratulations to all the clubs, teams, players, officials and umpires who are a part of this important historic day. For many, this is the culmination of a season of planning, training, meetings, many games, hard work and countless hours and a huge amount of effort.

Thank you to the WRFL, who have allowed this article to appear either online or in print in the Footy Record each week throughout 2018. This has allowed the umpiring fraternity to be seen and heard in a positive way by raising the profile of the umpires within the broad reaches of the WRFL.

Thanks also to the regular readers including a few who have given their own personal positive feedback at various times. It won't be too long before Season 2018 is done and dusted. Then we will all wait patiently in expectation for Season 2019!

## QUIZ

A defender takes a mark near the behind post and goes back over the boundary line in order to take the kick. However, the player decides to play on and comes back into play by crossing the behind scoring line before kicking the ball. What happens next?

- (a) The field umpire shall direct the player to take the kick again but this time across the boundary line.
- (b) The goal umpire shall signal a behind.
- (c) The goal umpire and/or the boundary umpire shall signal out of bounds.

*The correct answer is (c). See Law 16.5.1.*

The WRFL would like to congratulate the following umpires whose hard work, skill, commitment and determination has earned them a place to adjudicate a Senior Grand Final this weekend.

## **BULLDOGS CREATE HISTORY IN INAUGURAL SEASON**

**It was a fairytale finish for Point Cook in Sunday WRFL Division 2 Grand Final, after the Bulldogs upset the previously unbeaten Yarraville Seddon Eagles.**

In Point Cook's inaugural WRFL season after moving across from the VAFA, they achieved what they set out to do at the beginning of the season and that was win the premiership.

The Eagles were the hot favourites to win the decider. It was their third Grand Final appearance in as many years and were tipped by many to claim the title, however it wasn't to be.

The Bulldogs came out firing in the opening quarter, forcing the Eagles to play catch-up for the rest of the game.

They kicked three goals to one in the opening term.

The Eagles worked hard to swing the momentum their way in the second term and for parts of the quarter they controlled the tempo of the match.

At half-time it was just 10-points.

Both teams traded blows in the third term and at the final change the game margin was again just 10-points.

We were set for a thrilling final quarter to the Division 2 Senior Competition and it didn't disappoint.

The Eagles got within four points of Point Cook, but that was as close as they got.

Point Cook's Kirk Heberle's final goal of the game was his best, his snap from the pocket after selling some candy was one of the highlights of the game.

The goal sealed victory for the Bulldogs.

The final score was 9.14. (68) to 8.13. (68).

Jessi Lampi was named as the Best on Ground, he was presented with the Rex Swann Medal for his efforts.

Matthew Poland and Todd Caulfield also played well for the Bulldogs.

For the Eagles, it was a bitter pill to swallow, losing their third straight Grand Final.

On a brighter note, Yarraville Seddon won their third consecutive Division 2 Reserves Grand Final, defeating Point Cook by 47-points.

Jake Rycroft was named Best on Ground.

## SHARKS ECLIPSE SUNS IN GRAND DECIDER

By NICK BOYLAN

**Putting together a consistent 2018 has culminated in a maiden premiership for Point Cook Centrals, winning the Division 3 Grand Final against the Wyndham Suns by 25 points at Avalon Airport Oval.**

Despite the impending storms and wild winds, Avalon Airport Oval was packed out to see two clubs who have both had terrific 2018 seasons, with supporters given a clash worthy of at the grand stage. Right from the get-go, it was great contested action, with Paul Tomelty dominating out of the center for the Suns in the opening minutes of the quarter. Following this opening salvo from the Wyndham Suns in the middle, the Sharks were able to arrest control and utilize the strong wind in their favour.

Michael Szulc started to get involved in everything for Point Cook Centrals, though the Sharks inaccuracy ensured they into quarter time with only a 17-point lead, after kicking 2.6.

Suns coach Michael Boothey called for better communication at the quarter-time huddle, especially unhappy with his forwards' movement. Asking them to "wheel and go, deliver it high and fast; that's what we need," Wyndham came out looking to utilize the wind in the second term.

Despite kicking into the strong breeze, the Sharks were still managing to scrap entries inside 50, but were held up by an impressive Wyndham defence. Daniel Hovey managed to finally get the Suns on the board, as Wyndham begun to work back into the game through Tomelty, and Hayden Iannacone.

As the wind picked up and the rain came down hard, the ball begun resemble a bar of soap, particularly in the hands of Point Cook Centrals. Wyndham were much better at playing a more direct wet-weather style of game, as the weather had players slipping over all over the ground. While Matthew Andrew was able to lock down the dangerous Steve Neralic, Hovey was able to kick a second goal, while Rhys Kirk also worked into the game.

Kirk slotted a tough goal on the boundary right on the eve of half-time, to ensure that the Suns only trailed by four points at the main break.

With the game very much for grabs, the second half saw more sun and less wind, but the ground still incredibly slippery. These conditions continued to play into Wyndham's hands, as they begun to pepper their forward 50 but without much success.

Tomelty and Luke Henderson continued to have a fierce battle around the contest, with Henderson and the Sharks beginning to work back into the game. Brydon Coles

slotted a tough finish from the boundary line, before momentum swung after a major incident. Aaron Borg attempted to spoil an incoming ball but missed, catching Szulc square in the face, doing well not to concede more than a free kick and a 50m penalty.

Szulc converted and the Sharks seemed to garner momentum from the clash, with Szulc himself showing his class after a quiet second term, scoring another goal for the Sharks. Dean Henderson was able to execute a brilliant run-down tackle inside 50 and goal from the free kick, leaving Point Cook Centrals heading into the last quarter with a 24-point lead.

Darren Findlay called for his Sharks to "play basic football" and to "take things minute-by-minute, contest-by-contest", leaving the third term huddle with his team on the verge of premiership glory.

Brent Sheean was sent behind the ball with immediate effect, as his class and composure halted numerous Wyndham forward thrusts in the last term. Down two players, with Jarrod Vella suffering a concussion and Hovey struggling to get back on after a corky, the Suns were unable to run with the Sharks, and fell short of a maiden premiership.

Point Cook Centrals were able to clinch the minor premiership and the Division 3 Premiership with an incredibly consistent season of exciting football, with a mix of youth and experience gelling well to deliver the club's first premiership.

With Brent Sheean's brilliant display all over the ground, he was a deserved winner of the Henry Turner Medal for best-on-ground, leading the Sharks to victory.

## MANOR LAKES WINS VU POLYTECHNIC WOMEN'S TITLE

By JESS MACKEY

**Manor Lakes have achieved the perfect season after an undefeated run, becoming the VU Polytechnic Senior Women's Premiers for the 2018 season. The Storm defeated Caroline Springs in Saturday's twilight Grand Final at Avalon Airport Oval, coming out on top 51-point winners.**

A strong start from Manor Lakes set the tone for the rest of the match, as they managed to score three goals to just two behinds from the Lakers.

Yana Frontzcak opened the game up, kicking the first goal and getting the jump on the opposition, before Gemma Anderson kicked two more giving the Storm an early lead.

Manor Lakes conceded just one goal in the second quarter, while Kellee McIntosh and Rach Court kicked a goal each in the second quarter. They held a steady lead of 29 points at half time and had all the momentum going into the second half.

It was a goalless third quarter from both sides, as the Caroline Springs girls started to apply some better pressure, but still couldn't hit the scoreboard. Manor Lakes still held possession for most of the quarter, despite struggling to find the goals themselves.

The Storm managed kept their opponents scoreless for the entire second half, while still continuing to pile on the goals as Yana Frontzcak kicked two more and Jodie Robinson got her first.

Thanks to some impressive goals from the Storm, they were able to extend their lead in the final quarter to take the win by an impressive margin.

Following a stellar two goal performance in the first quarter, Gemma Anderson continued to impress all over the ground for the whole match and was awarded with the Best on Ground medal.

With three goals for the match, Frontzcak was the leading goal scorer on the day, followed closely by best on ground Anderson who kicked two.
