We're **FOR ZERO**

Achieving zero deaths and serious injuries on our roads is possible. That's why Western Region Football League are teaming up with the TAC to reach the vision of Towards Zero. If we all play our part, together we can make it a reality.

WELCOME TO THE 2019 WORKSAFE AFL VICTORIA COMMUNITY CHAMPIONSHIPS

STEPHEN O'DONOHUE

The WorkSafe AFL Victoria Community Championships returns in 2019, promising to deliver another exciting round of community football.

The 2019 WorkSafe AFL Victoria Community Championships is set to be bigger and better this year to deliver another thrilling round of football. The opportunity to participate in senior representative programs will again be a highlight for footballers in community competitions across Victoria.

A total of 30 leagues will compete in a one-off head-to-head match across different venues around the state, including Avalon Airport Oval and Mars Stadium. In addition, this year will see the introduction of 6 Senior Women's leagues competing in the 2019 WorkSafe AFL Victoria Community Championships.

The battle for community football's top ranking is set to be another blockbuster, when the Northern Football Netball League takes on Geelong Football League at Queens Park, Geelong. Big crowds are expected at the double header which also includes Bellarine Football League v Geelong District Football League. The Geelong Women's League will also play the Northern Women's League in a senior women's game on the same day.

AFL Outer East is set to play Bendigo this year for the first time as part of the newly expanded AFL Outer East initiative, which includes clubs who previously represented the South East Football Netball League. The Ellinbank District Football Netball League v West Gippsland Football Netball League match will be hotly contested as the two local rivals go head-to-head.

This year will also see games being played between Leagues who have not played one another in recent

history. These games include Goulburn Valley Football League v Western Region Football League, Hampden Football League v Ballarat Football Netball League, Bellarine Football League v Geelong District Football League, Sunraysia Football League v Heathcote District Football League and North Central Football League v Central Highlands Football League.

The WorkSafe AFL Victoria Community Championships are not only an opportunity for players, but also for umpires, coaches and volunteers to get involved in one of community footballs biggest events. We are proud to be able to showcase the best of community football to provide players with the opportunity to showcase their skills in front of big crowds.

Following on from another successful 2019 Community Umpiring Week earlier this month, I would like to congratulate all the umpires who have been selected to adjudicate in the 2019 WorkSafe AFL Victoria Community Championship matches.

Lastly, I would like to thank all the leagues, staff, players, coaches and volunteers involved in the 2019 WorkSafe AFL Victoria Community Championships for their passion and support in the lead up to the event.

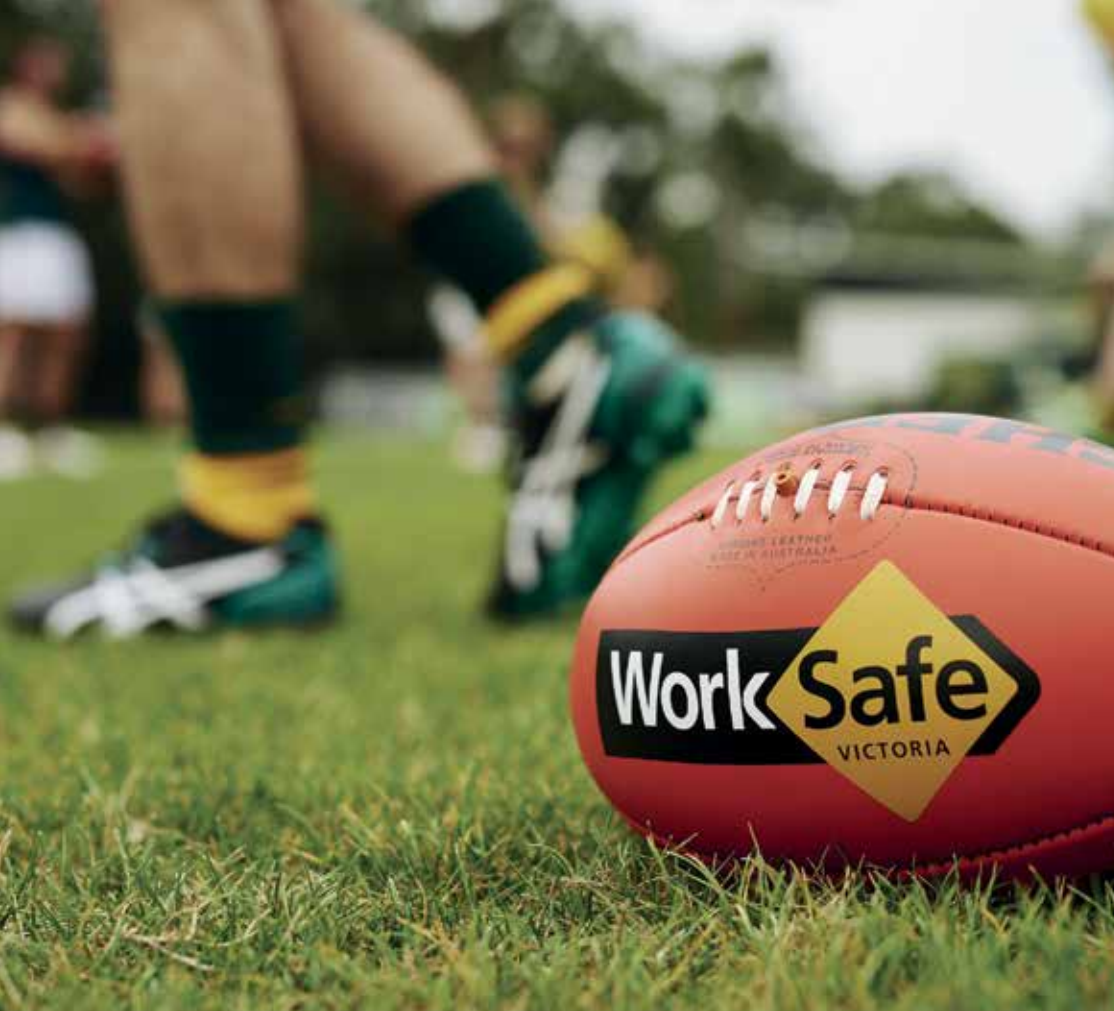

We hope that you enjoy this year's WorkSafe AFL Victoria Community Championships and wish you the best of luck for the remainder of the 2019 football season.

WESTERN REGION FOOTBALL LEAGUE CEO REPORT

MATTHEW DUCK

Hello and welcome to Avalon Airport Oval Werribee for what's set to be an enthralling day of WorkSafe AFL Victoria Community Championships. We welcome Goulburn Valley Football League for today's matches, and hope both games provide a great spectacle for fans of Goulburn Valley and the WRFL alike.

Once again headed up by Coach Matt Dean, the Under 18's coaching and selection panel have in typical fashion gone about their business very professionally and with a minimum of fuss. The Under 18's have long embraced Interleague footy and the opportunity to pit their skills against quality opposition, and this year has been no different. Whilst the league's move from an Under 19's in 2018 to Under 18's in 2019 has meant a slight shift in approach from an interleague perspective, the standard of talent within the representative team remains very high, and we wish the best of luck to the Under 18's team as they hunt their fourth win in a row in Interleague footy.

From a senior perspective, we welcome Brad Julier as first-time senior coach of the squad. With a long and proud history within the WRFL, highlighted by a Barry Priest Medal in 2008 as the league's Best and Fairest player in its topflight division, Brad has brought a great energy to the role and has worked hard with the respective WRFL clubs to increase player buy-in.

Able supported by a great off-field team, headlined by former Interleague senior coach Anthony Eames, Brad has enhanced his reputation as a coach through this program. On behalf of the Board and Administration, I thank Brad and his entire support team, as well as the entire Under 18's coaching team for their tireless work and commitment to the program.

Thank you to GVFL Chairman David Roff, Senior Coach Brad Campbell, Under 18's Coach Jason Wells, League Operations Manager Grant Wilson and the entire team at Goulburn Valley for your support. It's been a pleasure to work alongside the league in the planning for this day. To WRFL Senior Football Manager Adam Sparrow, thank you for all the hours and energy you have put in to this.

The WorkSafe AFL Victoria Community Championships provide a rare opportunity to play with the competition's best players. Indeed, opportunities to elevate yourself amongst your peers and earn far-reaching respect across the community football landscape are few and far between. Today provides one such rare opportunity.

I wish all players the best of luck today, but especially those who wear red, white and blue - 'the team of the mighty West'!

GOULBURN VALLEY LEAGUE CHAIRMAN'S REPORT

DAVID ROFF

Today is a big day for the GOTAFE Goulburn Valley League. Interleague is very important to us, it gives us an opportunity to go up against the best of other Leagues.

Following our win over Ballarat on the hallowed turf of the MCG last year, we look forward to today's clash with the Western Region Football League.

To Meredith Angwin and her Board thank you for your hospitality and to Matthew Duck, Adam Sparrow, Kristen Alebakis and the WRFL team thank you for working with our team to put the arrangements for today in place.

Brad Campbell steps out today in his first outing as Senior coach, having assisted us in the past couple of years and his team has worked hard for some months to make us as prepared as we can be for today and our players are committed to having a red hot go.

Jason Wells will once again coach the Under 18's, having had outstanding success in recent years with the players who are the future of our competition.

The buy in from our clubs has been terrific as evidenced by the players available for selection and the diversity of our coaching panel. It takes a lot of time and effort to assess contenders for the team, including travelling to see players in action, selection and then training.

To the players, being selected in the Interleague side is a real achievement and I know you will enjoy the experience.

From a Board perspective Freddo McMahon has once again taken on the task of organising and I thank him and his support team for their hard work. In the office, League Operations Manager Grant Wilson and his team has provided enthusiastic and efficient support. We are fortunate to have an excellent Board backed up by a great team of administrators.

This year ECAU Sport have continued as our interleague sponsor and we thank them as well as Dyson's Bus Lines. The support from both companies is greatly appreciated. I'd also like to thank our naming rights sponsor GOTAFE for their ongoing support.

To the umpires, congratulations for being selected for this important fixture. Your role in our competition is vital and much appreciated.

MATCH DAY INFORMATION

Start Times

- Under 18's: 10.15am
- Seniors: 12.15pm

Duration of Matches

Seniors and Under 18's will run 4 x 20-minute quarters with time on.

Drawn Matches

There shall be no drawn matches.

In the event of scores being level at the elapsed time the timekeepers are instructed to sound the siren. The field umpires will instruct both captains that the match shall recommence with the teams kicking to the same end as in the final quarter and that two five minute periods with time on shall be played with teams changing ends after the first five minute period immediately the siren sounds.

In the event of scores being level after the two five minute periods the timekeepers are to be instructed to keep the second period of extra time continuing until the next score.

Coaches are not permitted to address players at any stage after the three quarter time interval.
