Senior Final Series - Issue 3, September 14th - 15th, 2019

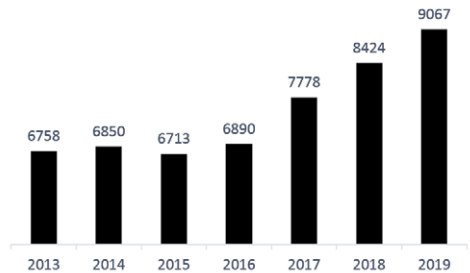

By MATTHEW DUCK

After 2,458 matches, just 12 games remain in the 2019 WRFL season, nine of them Grand Finals. The penultimate weekend of the season, Saturday will see Whitten Oval play host to the Division 3 Grand Final as well as the VU Polytechnic Senior Women's Grand Final under lights, whilst on Sunday, Avalon Airport Oval will host the Division 2 Grand Final.

It will come as no great surprise to anyone that female participation has increased significantly over the past three years, reflective of significant overall growth of participant numbers in the WRFL in recent seasons. The introduction of the standalone women's competition has been a telling factor of that growth.

On Saturday evening the new benchmark of the women's competition, Spotswood, take on a familiar foe in Caroline Springs. Having been thereabouts in recent years, Spotswood's women have seemingly taken an extra stride in 2019, the senior component of what's proven a successful female program at Spotswood. But the Lakers have been here before, having played off in last year's Grand Final against Manor Lakes, and should benefit from that experience. It should be a great contest.

In Division 2, the best two sides of the year fittingly meet in the Grand Final. After relegation from Division 1 last year, it's been a terrific season for Wyndhamvale. The Falcons have steadily gone about their business, notching up win after win, and whilst they come up against a very strong Yarraville Seddon, they'll be confident. That said, after a somewhat sluggish start the Eagles quickly hit their straps and have once again cut a swathe through their opposition this year, securing themselves a place in the final game of the Division 2 season for the fourth consecutive season. They'll be hoping this is the year they go that one step further and deservedly hold the cup aloft.

Division 3 sees a resurgent Glen Orden take on Albanvale. The plucky Hawks have had their ups and downs this season but appear to have discovered some of their best form at the right time, whilst the Cobras go into this game well rested and knowing their best football is as good as anyone's. This stands to be a cracking contest between two very good teams.

Over at Avalon Airport Oval in RAMS Division 1, three big Preliminary Finals are set to play out, culminating in the Deer Park vs Spotswood senior match, with the winner to face Altona in the Division 1 Grand Final next week.

It's going to be a big weekend!

See you at the footy.

UMPIRES CORNER

By GRAEME HODGART

It certainly is great to see more females are getting involved in our great game. At one time in football, the place for females was usually over the fence as passionate supporters or working hard in the background generally running the canteen.

However, the WRFL has a proud history of female involvement at all levels, more than a 100 years ago the Yarraville Football Club had a female president. Following on from that, the WRFL has been led by Meredith Angwin since 2016 in the role of president.

Of course, the biggest change in recent years is the development of female competitions. These have been around for a long time, but they were few and far between, however currently, most clubs have a team or are in the process of organising one in the not too distant future.

More and more females are also turning their hand to umpiring. The WRFL had about 336 umpires throughout this season and 39 were females. That means 11.6 percent of all umpires are female. Only three were goal umpires and the majority were boundary umpires. The Academy at MacKillop Secondary College has provided a constant string of young females in the past nine years who are willing to give umpiring a go. Hopefully this will continue.

Way back in time the trend setters in terms of umpiring were Jo McGarity running the boundary in an Under 12 Grand Final in 1990. Hot on her heels was Shannon McFerran who was a boundary rider for the Under 12B Grand Final in 1992. Christine Gent was a field umpire in 1997 when she took control of the Under 11 Grand Final. Joy Cox was a goal umpire involved in the Under 14B Grand Final in 1999. It should also be noted that Christine Gent was a goal umpire in the WRFL grand finals in Division 1 Seniors in 1996 and 1997.

Football was once a male dominated game, but little by little the scales are being re-adjusted. The Under 15 girls' competition, the Under 18 girls' competition and the Senior Women's competition will continue to grow. More and more teams will be added, but also the skills and abilities of individual players will develop.

Good luck to those contesting the Victoria University Polytechnic Senior Women's Grand Final this weekend. Congratulations to all the players who were part of the WRFL female teams during Season 2019. Hopefully the majority will return for a bigger and better season next year.

QUIZ

At a boundary throw in, one player from each team nominates to contest in the ruck. The field umpire reminds each player to keep a distance of one metre apart. Before the ball leaves the boundary umpire's hand, one of the ruck players bumps the other player fairly in the side. What happens next?

- (a) The field umpire blows the whistle and asks the boundary umpire to throw the ball back into play again.
- (b) The field umpire blows the whistle and throws the ball up at the place where the player was bumped.
- (c) The field umpire blows the whistle and awards a free kick against the player who bumped his opponent.

The correct answer was (c). See By-law 15.5 (c).
