### **By MATTHEW DUCK**

After 2,467 matches, the 2019 WRFL season all culminates today.

In the TIV Under 18 Division 1 Grand Final, Hoppers Crossing meet Werribee Districts in an old-fashioned local derby! The two sides have met three times this season, with Hoppers Crossing taking the honours on all three occasions. That said, Werribee Districts have proven the giant slayer this finals series, and will surely go into this game with a lot of confidence. Whatever the result, this promises to be a Grand Final worth arriving early for.

In the RAMS Division 1 Reserves, Werribee Districts take on Altona, again two of the benchmark teams across the home and away season. Werribee Districts have had the wood over the Vikings this season, winning on all three occasions that the two sides have met, albeit always in close matches. Werribee Districts will have enjoyed the week off and will bring with them strong support as always, whilst Altona secured their place in today's grand final with a resounding win over Spotswood last week. Only time will tell as to which was the better preparation for today's game.

In the RAMS Division 1 Grand Final, we're in for a great contest. This season just three wins separated first and fifth positions at the end of the home and away season, testament to just how evenly matched the top five teams were. This was on the back of a 2018 season that saw only two wins separating first and fifth position.

Deer Park go into the match very familiar with proceedings and seeking a 7th flag, which is certainly rarefied air. They've had to go the long way to get to today's Grand Final, the first time since 2013, but they fought hard against Spotswood last week to secure their place. Their opponent in Altona come in after a week's break and will know that their best football can match anyone's, having outperformed others this season to claim the minor premiership. They bring speed and hunger, and this should be a cracking Grand Final.

Today's culmination to the 2019 season at arguably the western suburbs' premier football venue is set to capture the attention of the entire western suburbs football community. To that end I thank Werribee Football Club for once again hosting a significant portion of our finals series this year. The club is a pleasure to work with and we look forward to our close partnership continuing long into the future.

I wish the best of luck to all teams competing today.

See you at the footy!

### GRAND FINISH FOR WRFL UMPIRES

By GRAEME HODGART

The big day has finally arrived. Congratulations to all the clubs, players, officials, supporters and Umpires who have made it all the way to that 'one day in September'. Of course, there are many who had their big day last weekend and either enjoyed success and jubilation or had to face dejection and disappointment.

For many it has been a long season. For the Umpires, the season began in the second week of February with a full-scale pre-season with 14 sessions at Hanmer Reserve in Seddon and seven sessions at MacKillop College in Werribee. There were also two beach runs for those who were really dedicated.

Early April saw the beginning of the season proper and a large portion of the umpires were running twice a week at training plus games on the weekend. Some were doubling up on both Saturday and Sunday while others were doing two games on the same day. Throughout the home and away season, there were 42 practice sessions at Hanmer Reserve and 10 at MacKillop. Then there were 15 sessions at the various academies. Now, here we are just past the mid-point of September.

One umpire calculated that he attended 84 sessions out of a possible 89 training nights. He also umpired nearly every Saturday and fronted up again for most of the Sunday games. For that umpire, it definitely has been a long season! That's surely commitment and great dedication. Many other umpires have also put in, above and beyond the call of duty.

If you think about your own club you will probably be able to find that core group of people who keep turning up and working hard for their own club, not for any reward, merely for the satisfaction that they are ensuring that their club continues to provide an avenue for others to travel. Maybe you should go out of your way to thank those people for their hard work, their commitment and their dedication.

Here's wishing that the football on this day is of a high quality and those who have put in the hard yards to get here are rewarded for all their efforts. Hopefully, all umpires, whether field, boundary or goal umpires can display the skills that have earned them a place on the WRFL's biggest day.

### QUIZ

At the end of the game in the Division 1 Senior grand final, the scores are level. What happens next?

- (a) The team that finished higher on the ladder automatically is awarded the premiership.
- (b) Two extra five minute halves each way are played until a winner is decided.
- (c) The teams come back next week for the game to be replayed.
- (d) The siren is delayed until one team scores under The Golden Point Rule and that team is declared the winner.

*The answer is (b).*
