

On behalf of the WRFL Umpires Coaching panel and the WRFLUA Executive we wish you a Happy and Safe Easter.

Enjoy spending time with family and hopefully soon we will be all back together umpiring. This time of the year is a time to reflect, and given our current pandemic, simple things like getting together for a meal, we take for granted. When we come out the other side I trust we will all be more understanding of each other and take every opportunity to celebrate what we have and that is the love of each other.

Best wishes

Mark of behalf of the WRFL and WRFLUA
