We are back at training on Tuesday night, with a 25km limit, which should not affect the vast majority of WRFL umpires. On Thursday night we will be holding a field umpires coaching session commencing at 6.45pm and if you can't make the session, that is fine given the current COVID issues/restrictions. However could field umpires please forward your review, both positive and improvement area times, for the Hoppers Crossing v Yarraville Seddon Eagles game to Dima so we can look to include them in the coaching session. The session will be made available via YouTube as in the past.

Any person entering the main club rooms MUST wear a mask, compulsory for the coaching session. However, if you are just getting changed for training please use the rear door and like in the past get in, train and get out.

I will update you when I receive confirmation around this weekends games. We will send out appointments on Wednesday, as normal, please make sure Schedula is up to date.

See you on the track
